

AGNE MONNA

FIFI

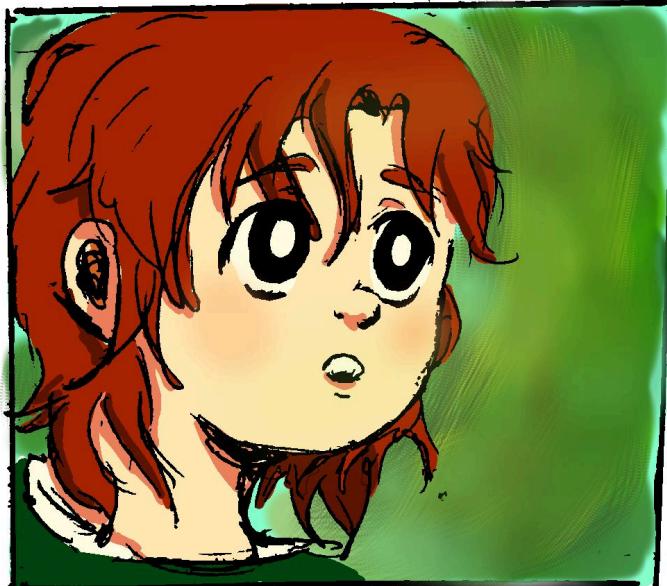

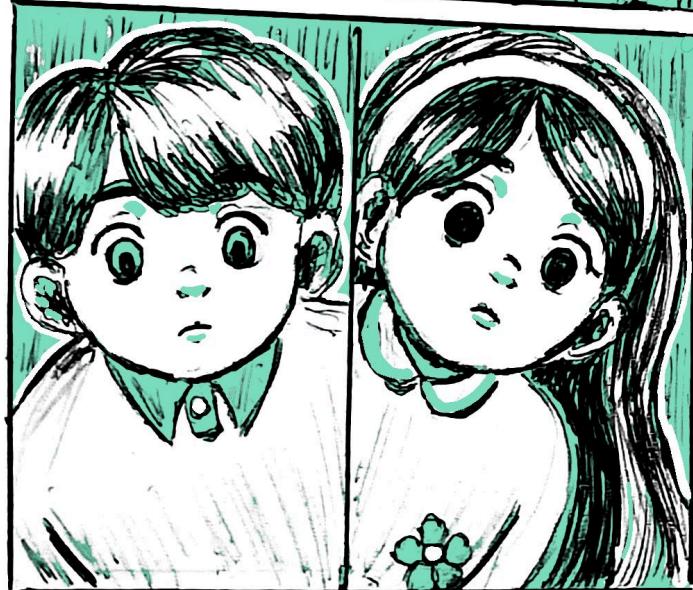

Como no quería seguir sola en esa casa abandonada, decidí salir afuera.

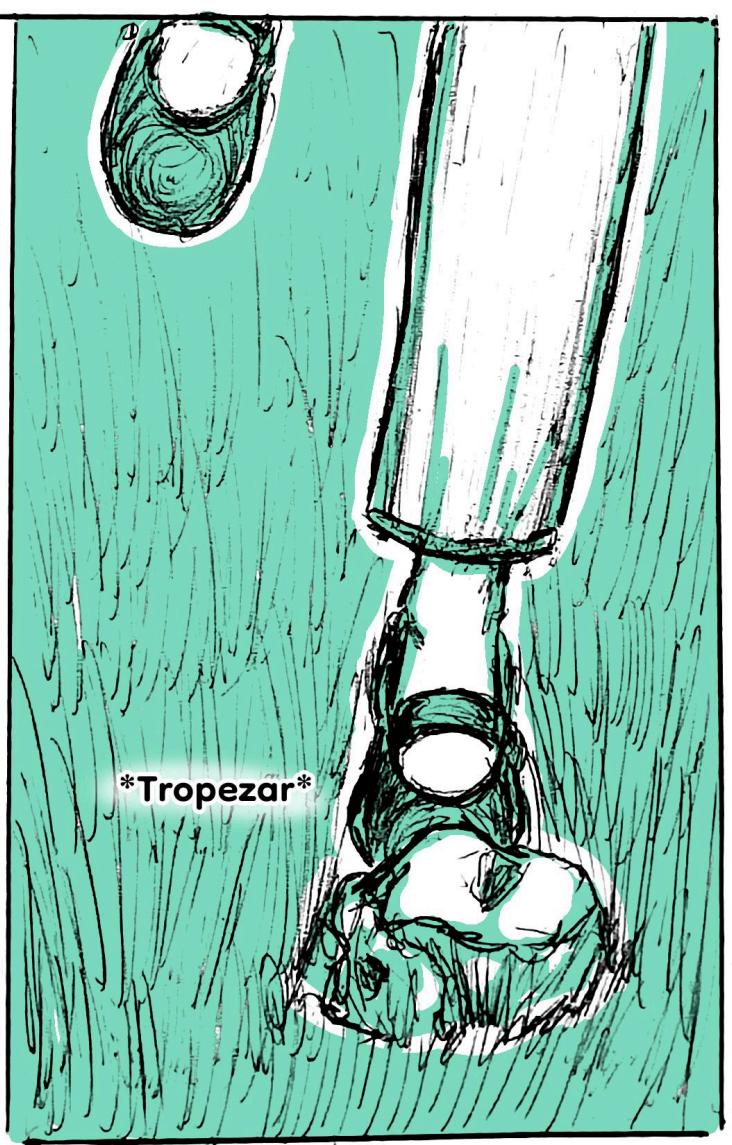

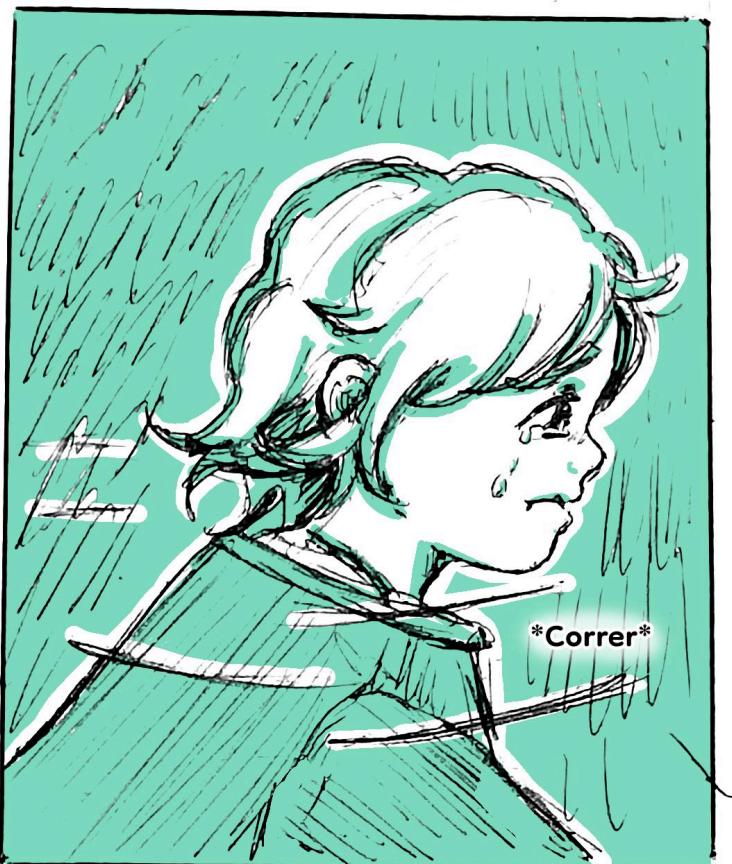

Seguía pensando sobre mi situación, si ya estaba sola antes o si mis padres me abandonaron.

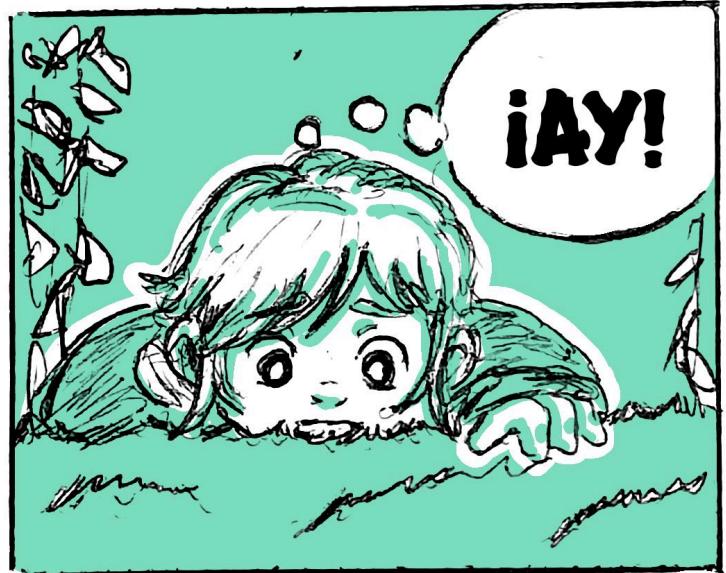

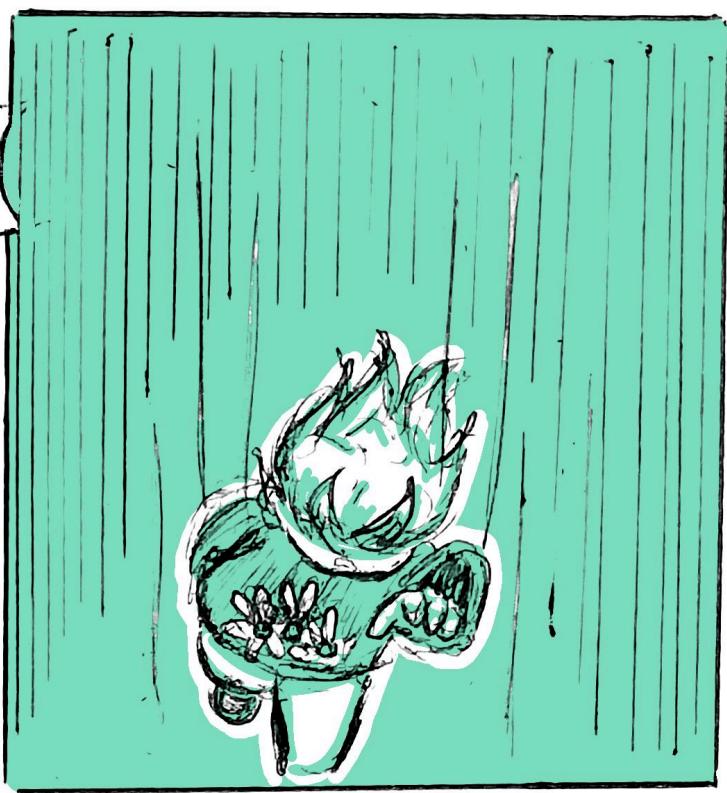

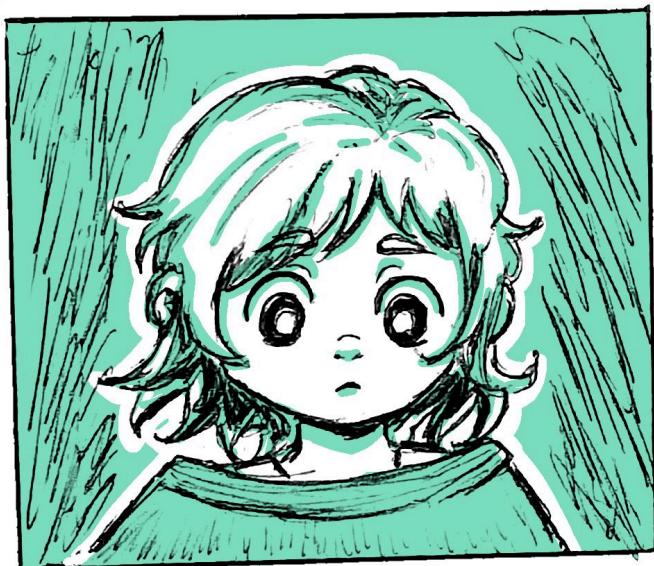

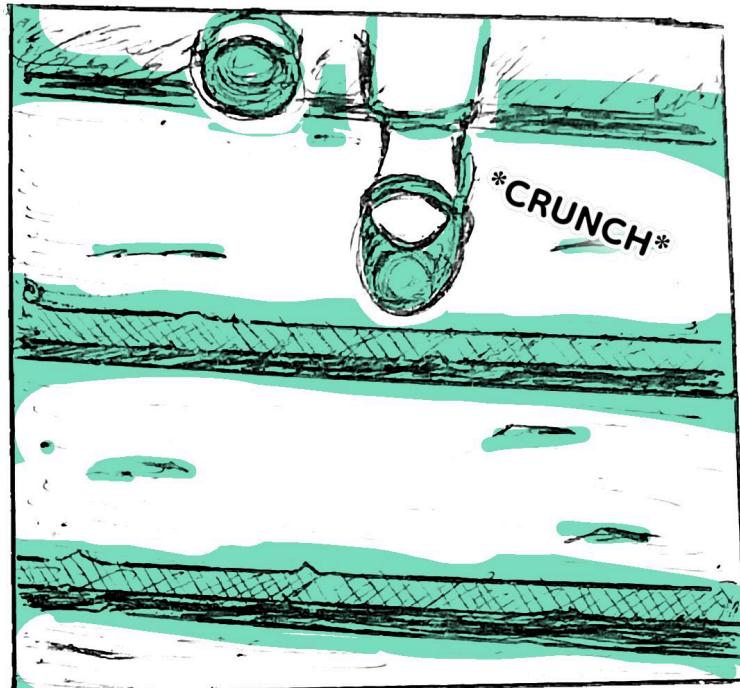

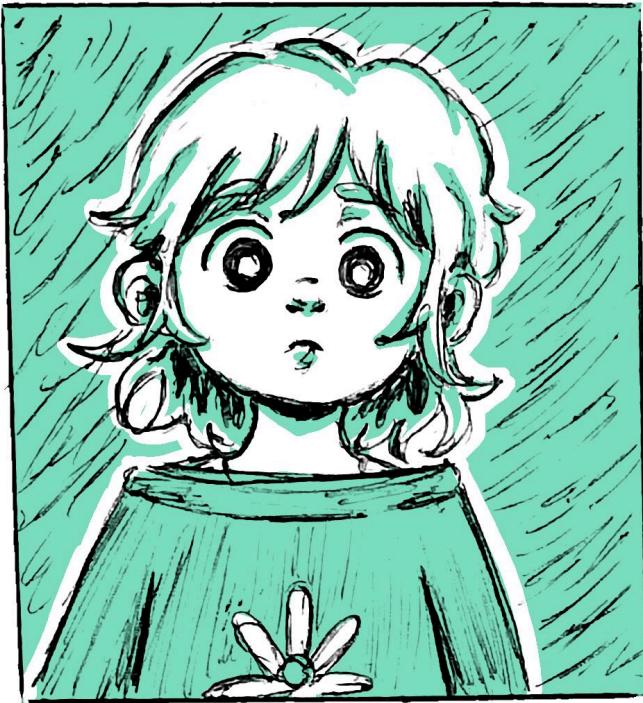

Mientras estaba perdida viendo el paisaje, hasta que otros niños me empezaron a molestar.

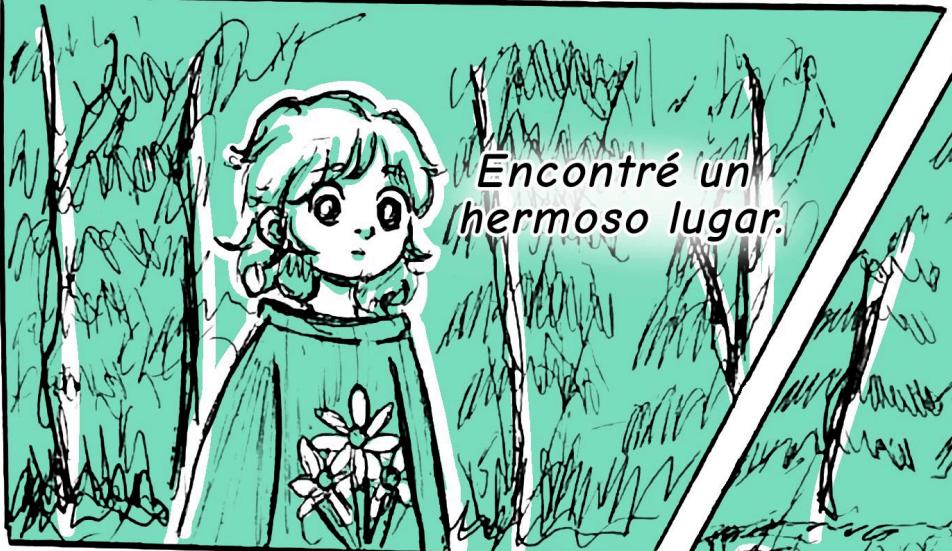

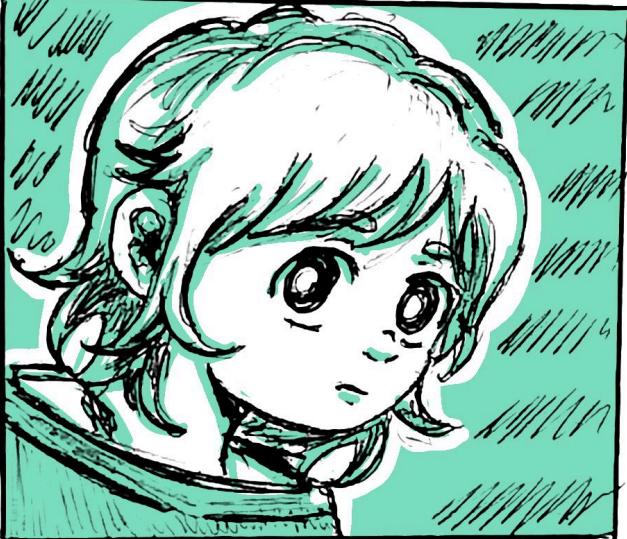

Encontré un
hermoso lugar.

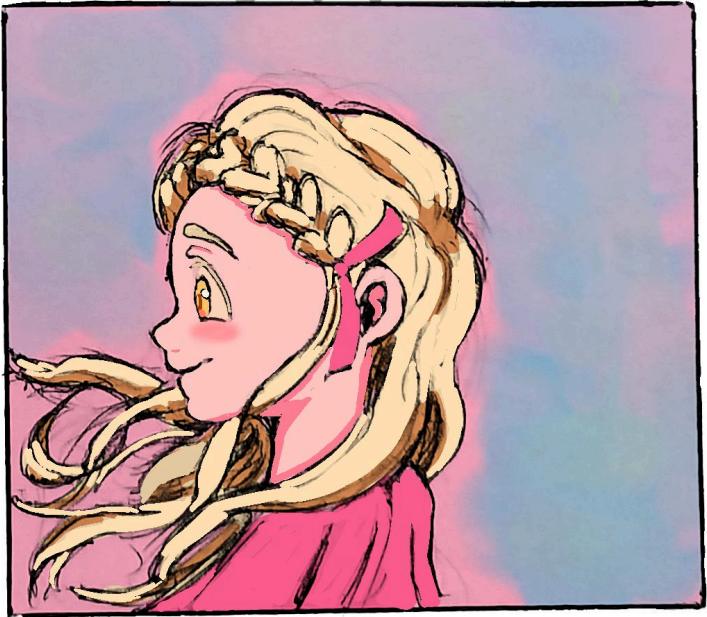

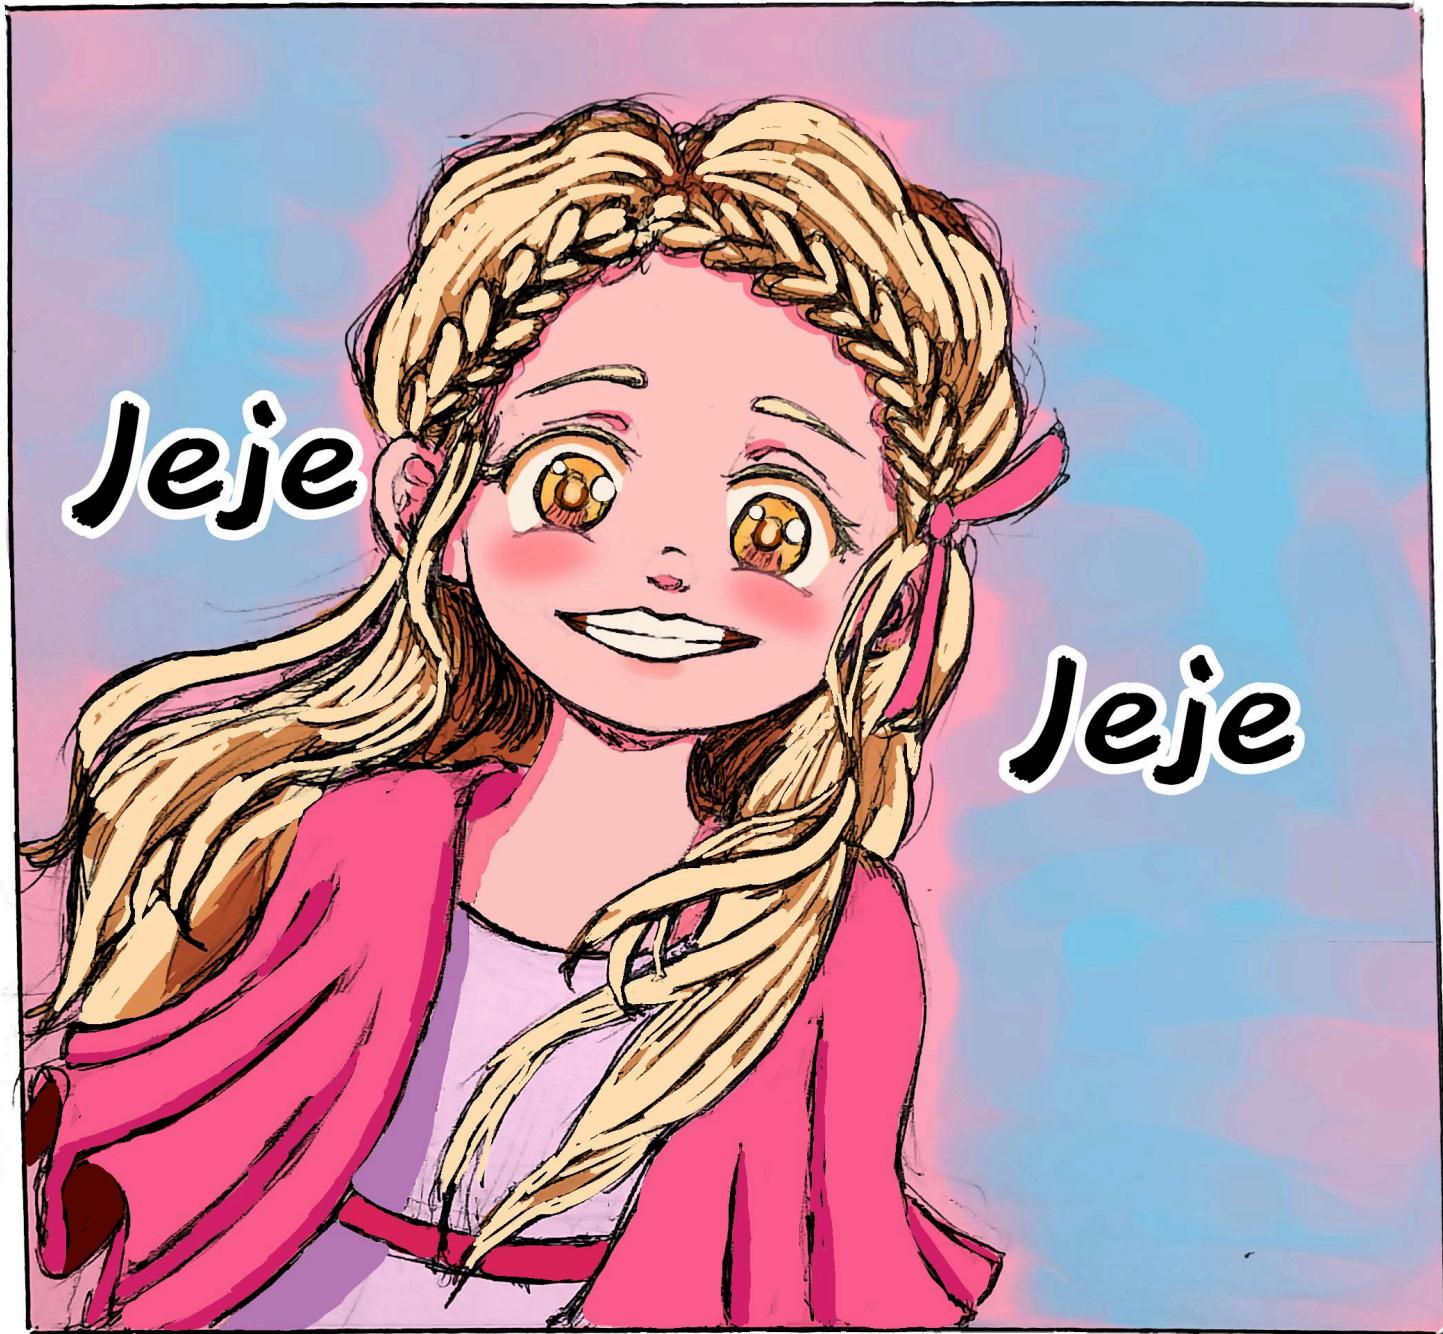

Caminé por el
lugar.

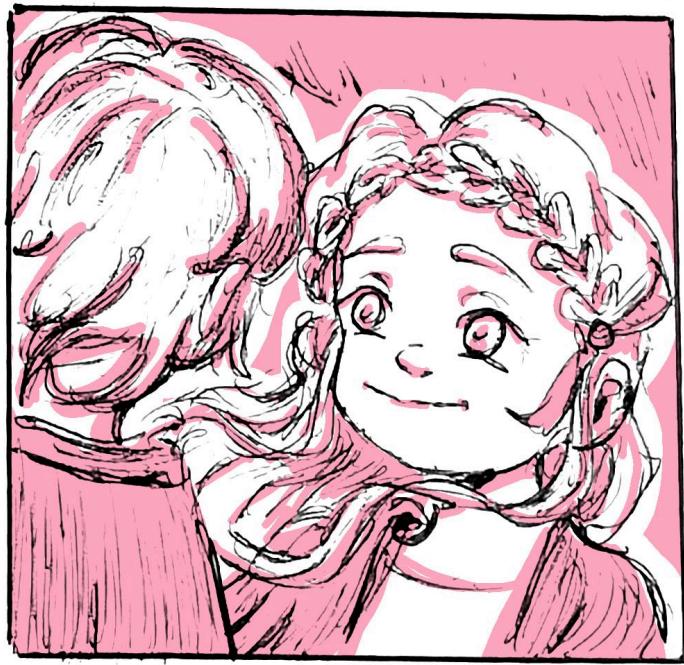

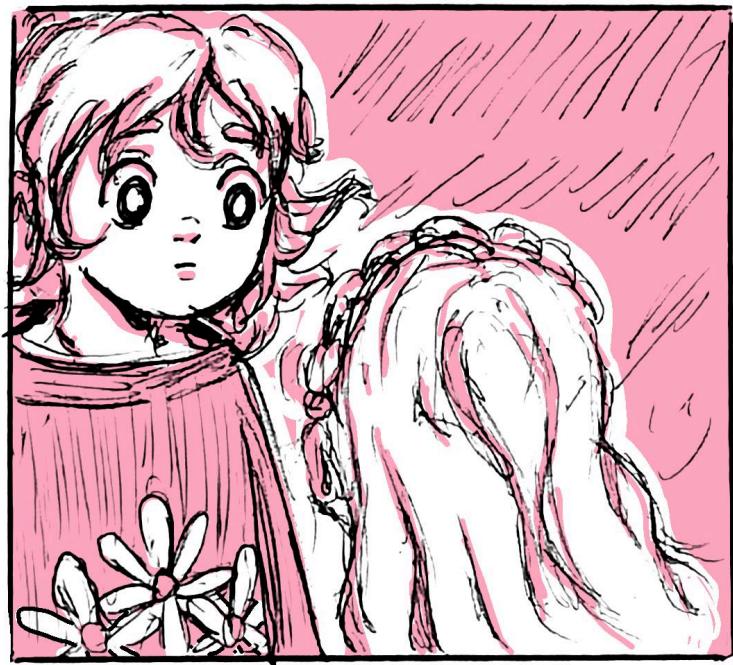

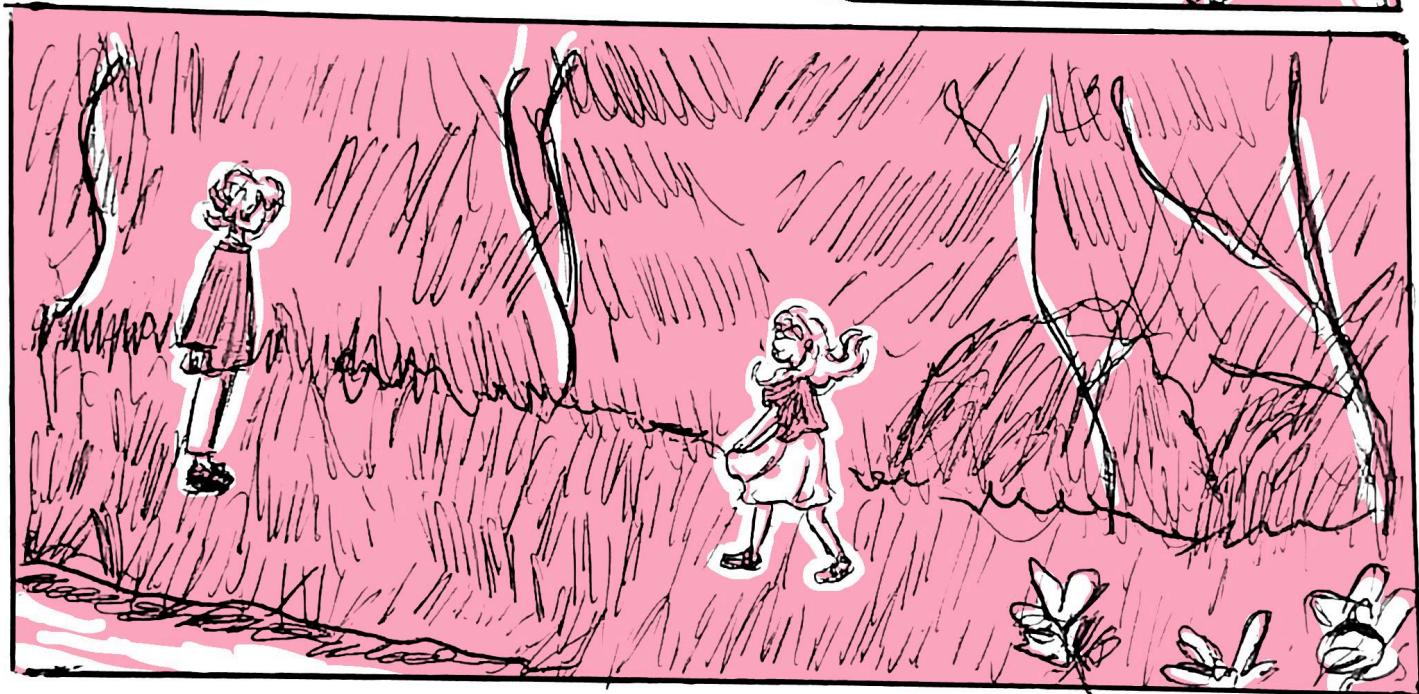

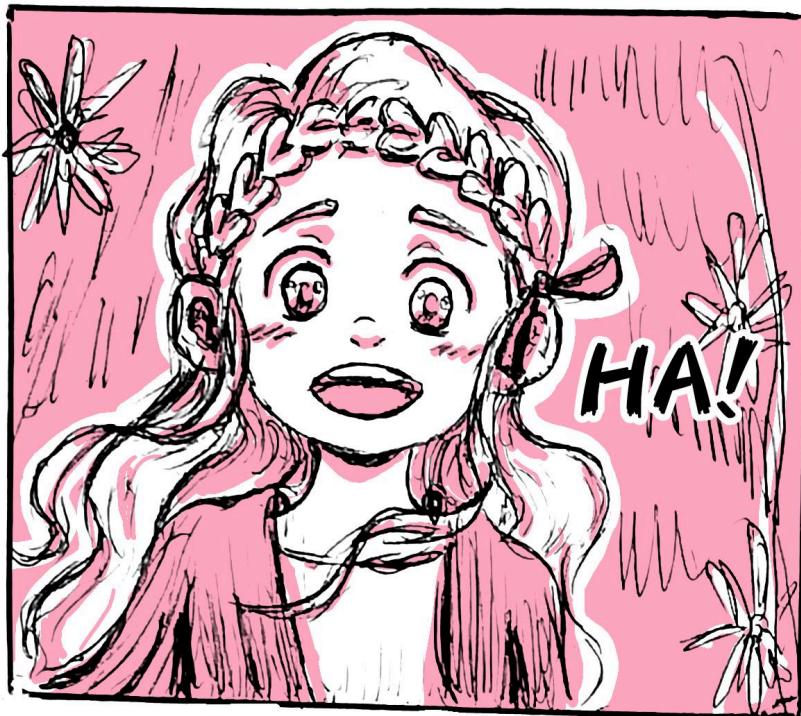

Andar

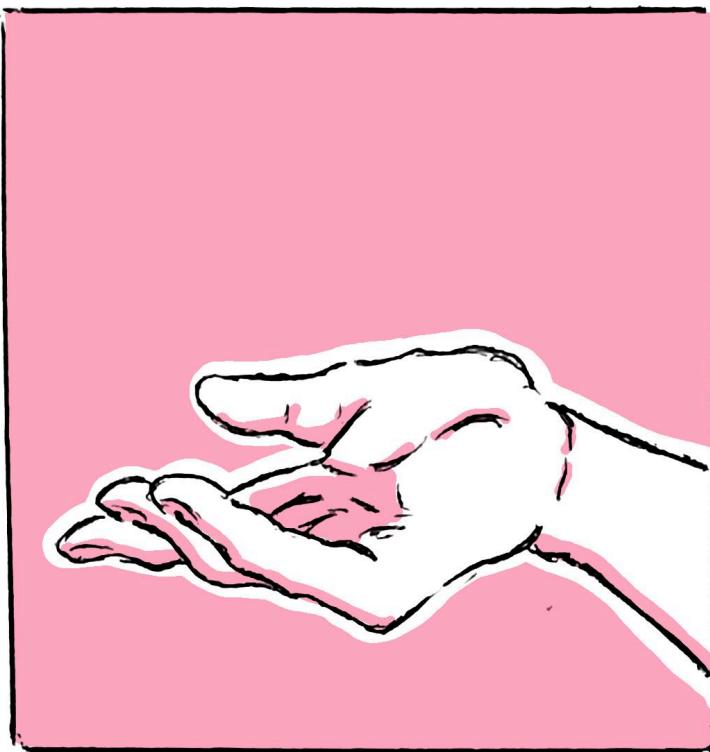

y me encontré con
ella.

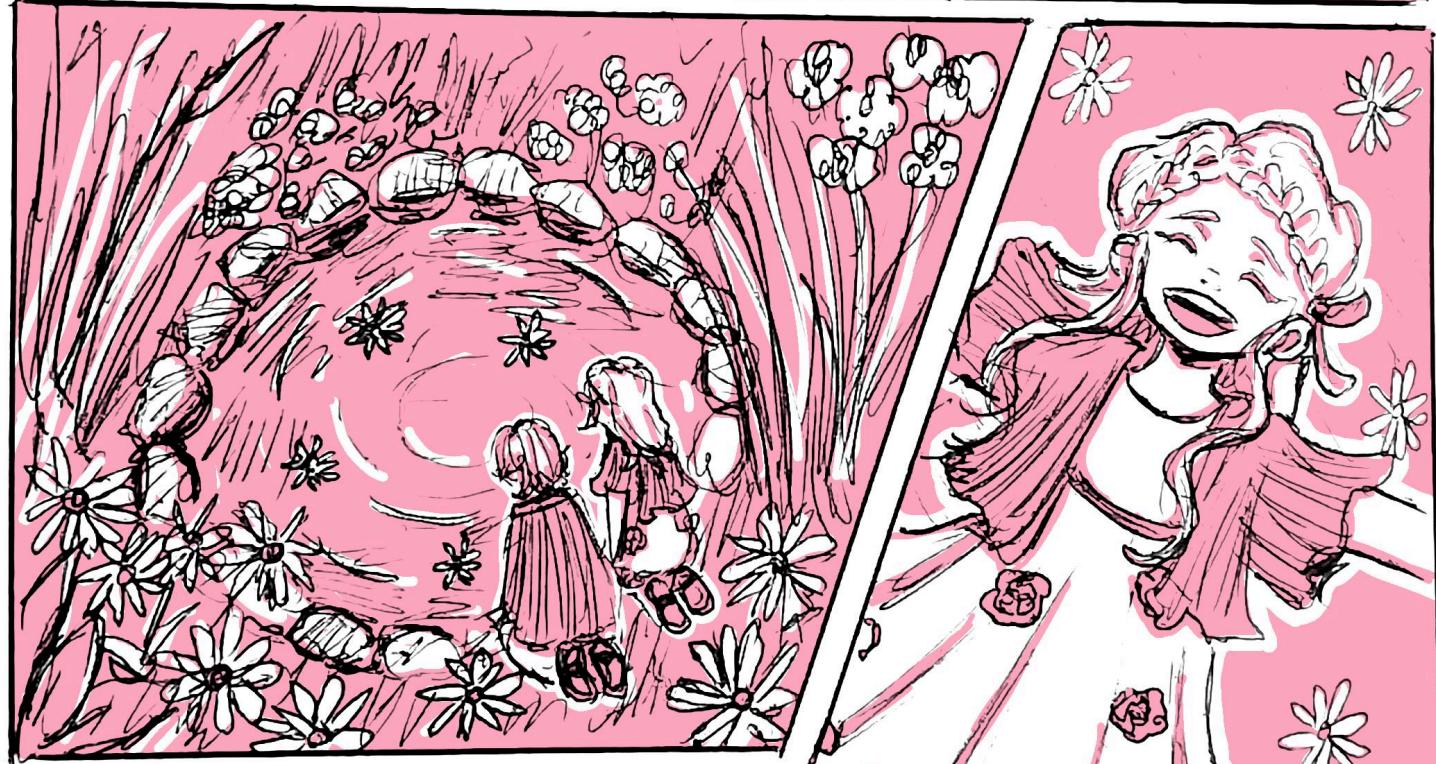

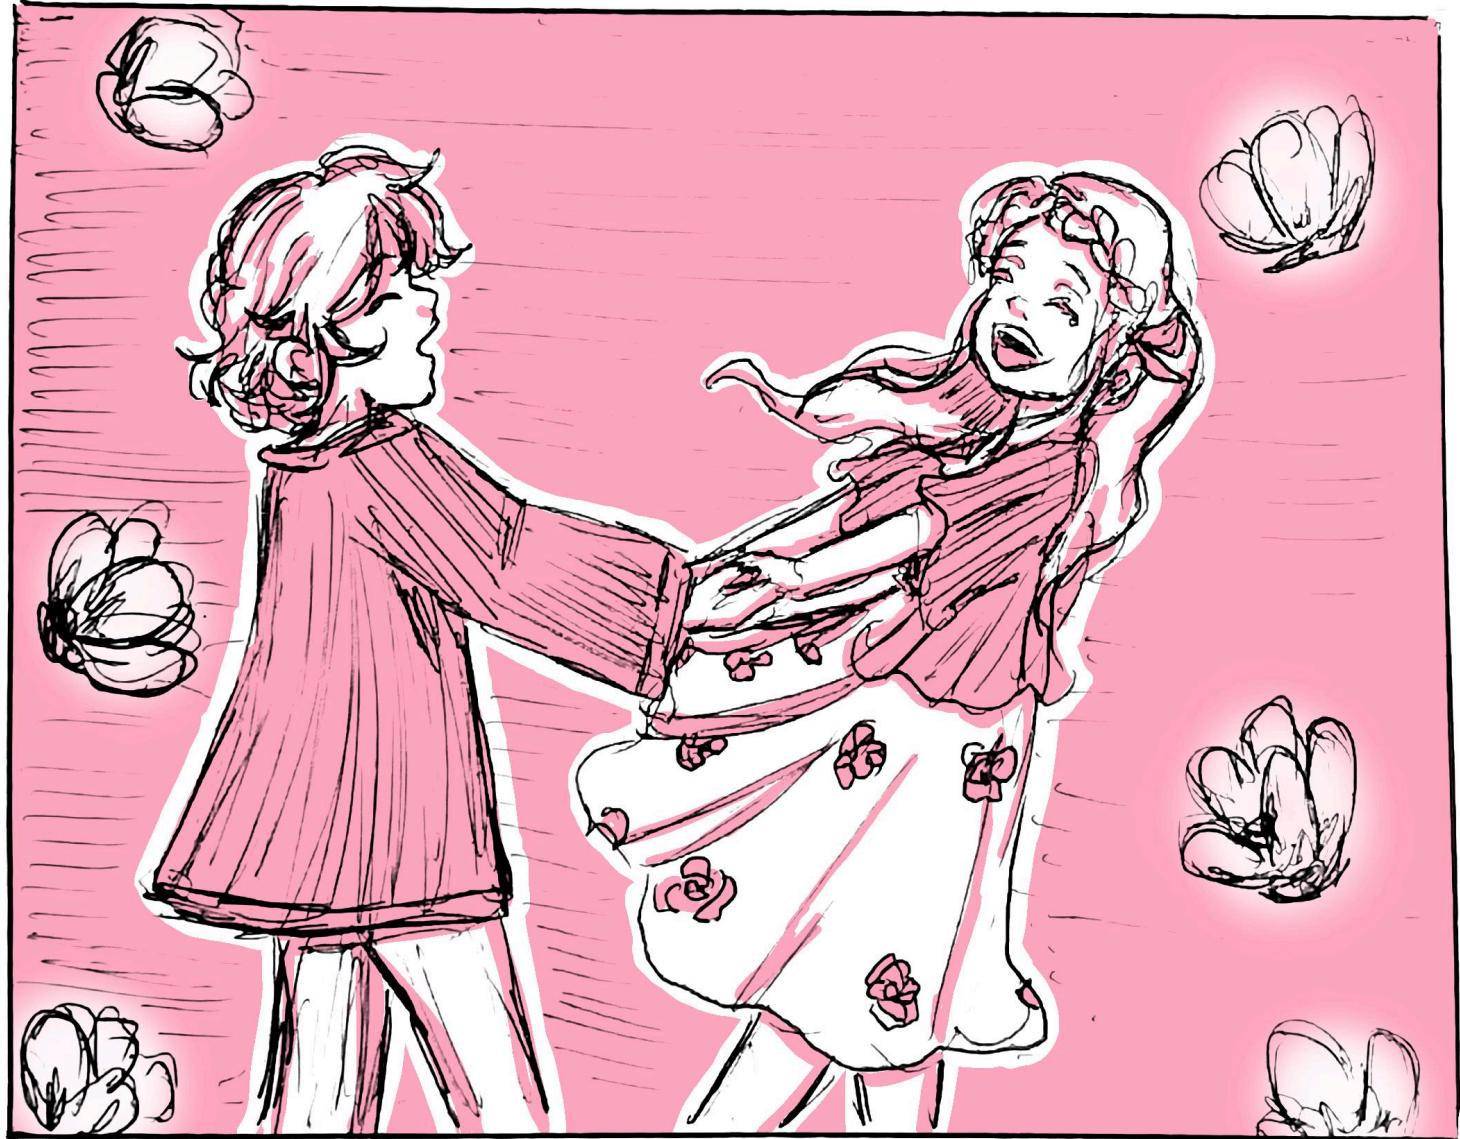

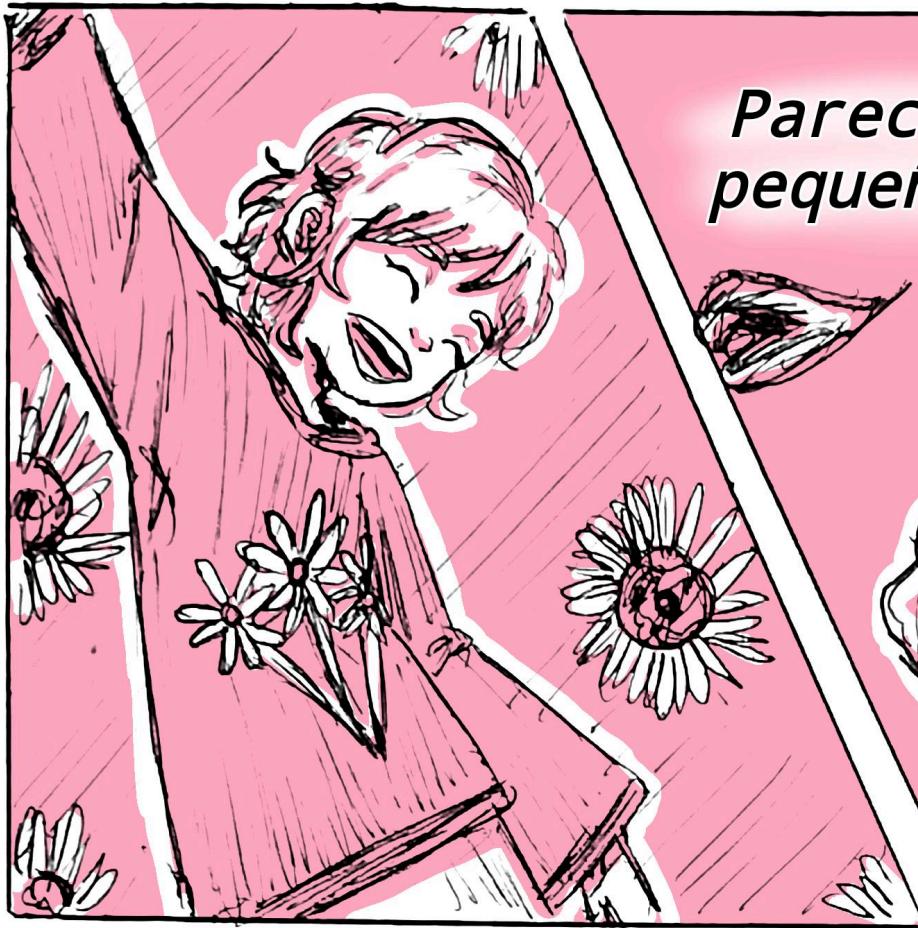

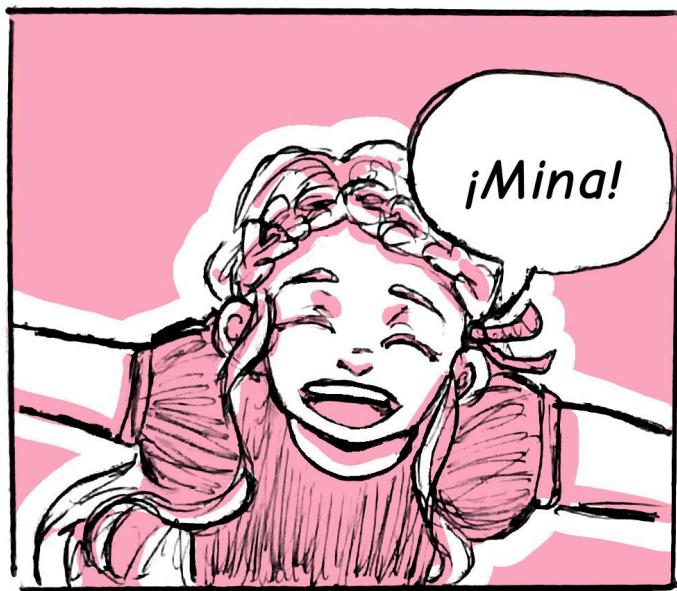

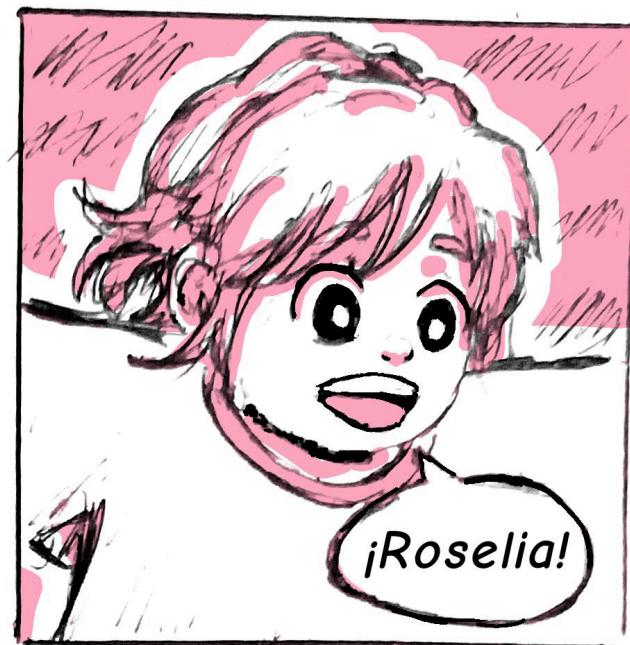

Ella era una niña alegre.

*Parecía una
pequeña rosa.*

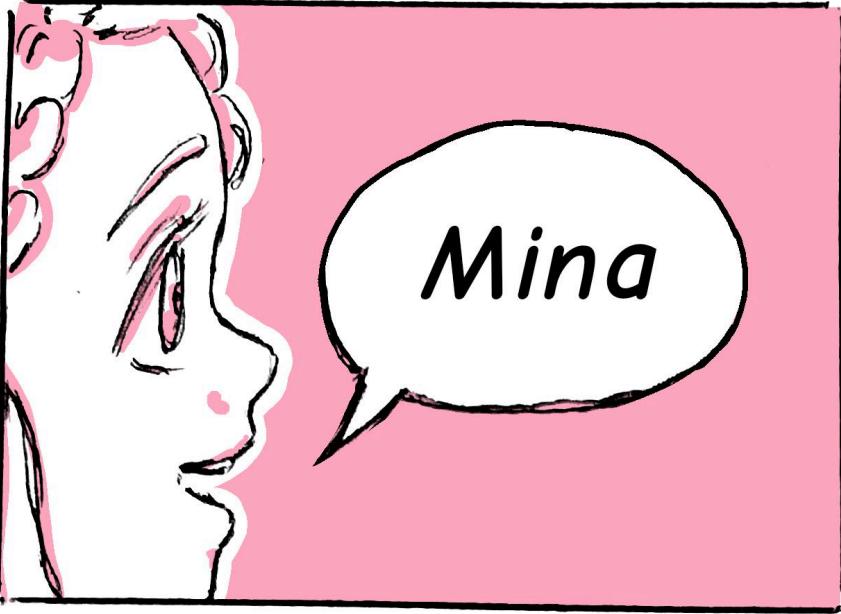

Ambas teníamos la misma edad y nos podíamos entender.

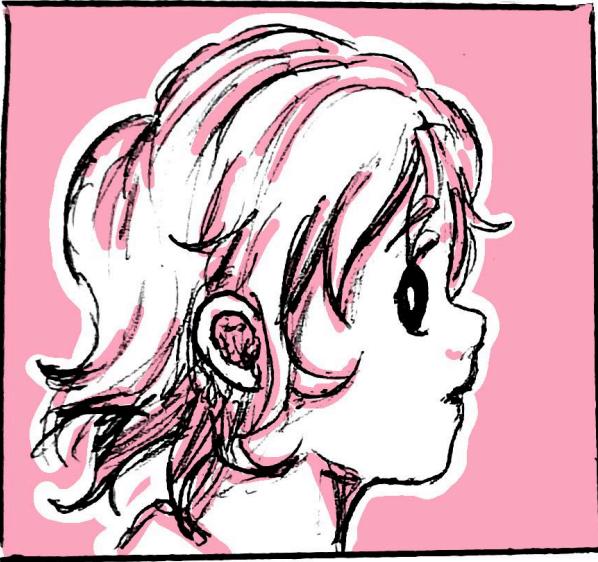

Todos los días nos reuníamos en el jardín para pasar tiempo juntas.

Como no recordaba mi nombre, ella empezó a llamarme por un apodo.

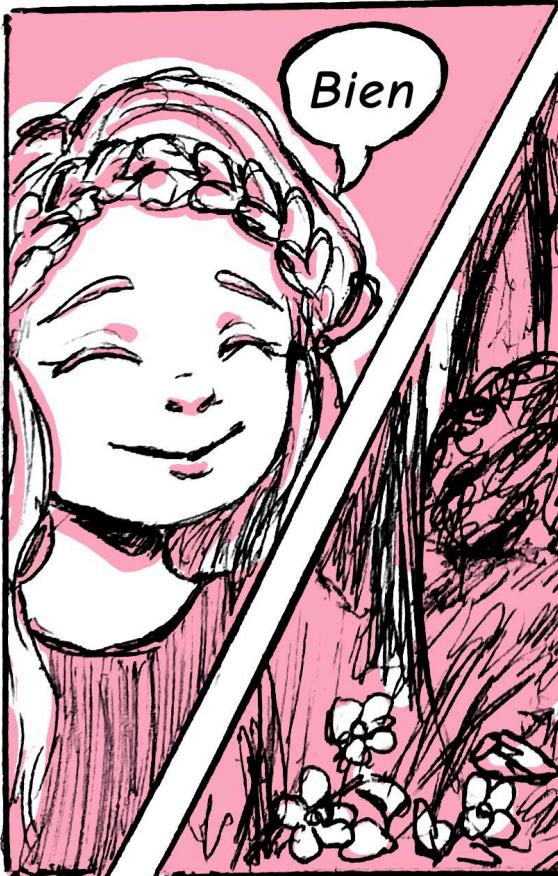

Mina

¿Te gustaría
venir a mi casa
a conocer a mi
familia?

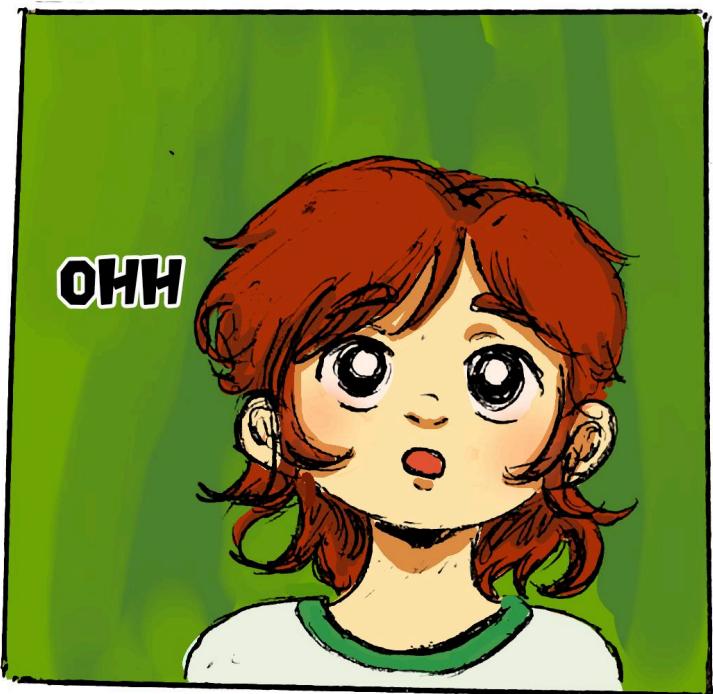

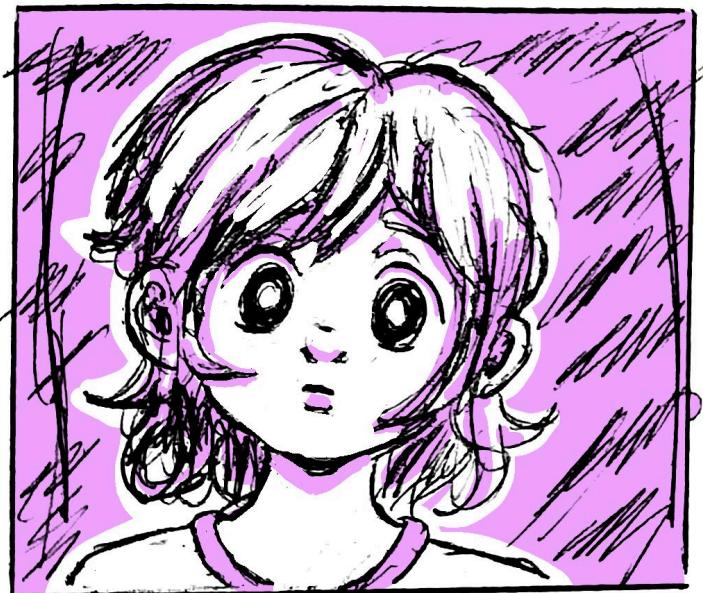

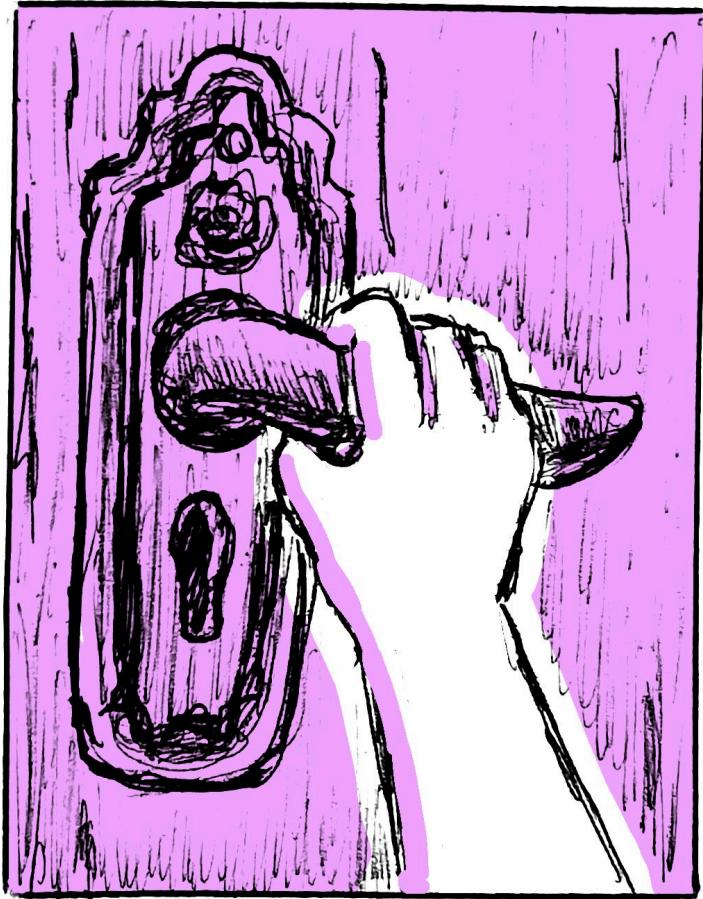

Sí,
¿Por qué no?

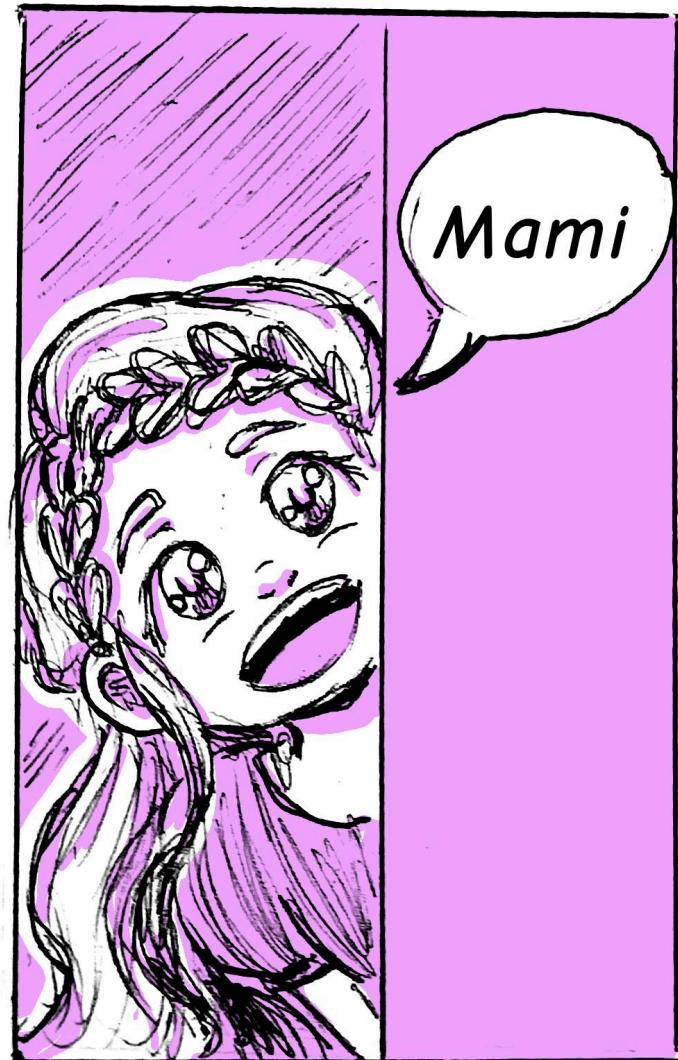

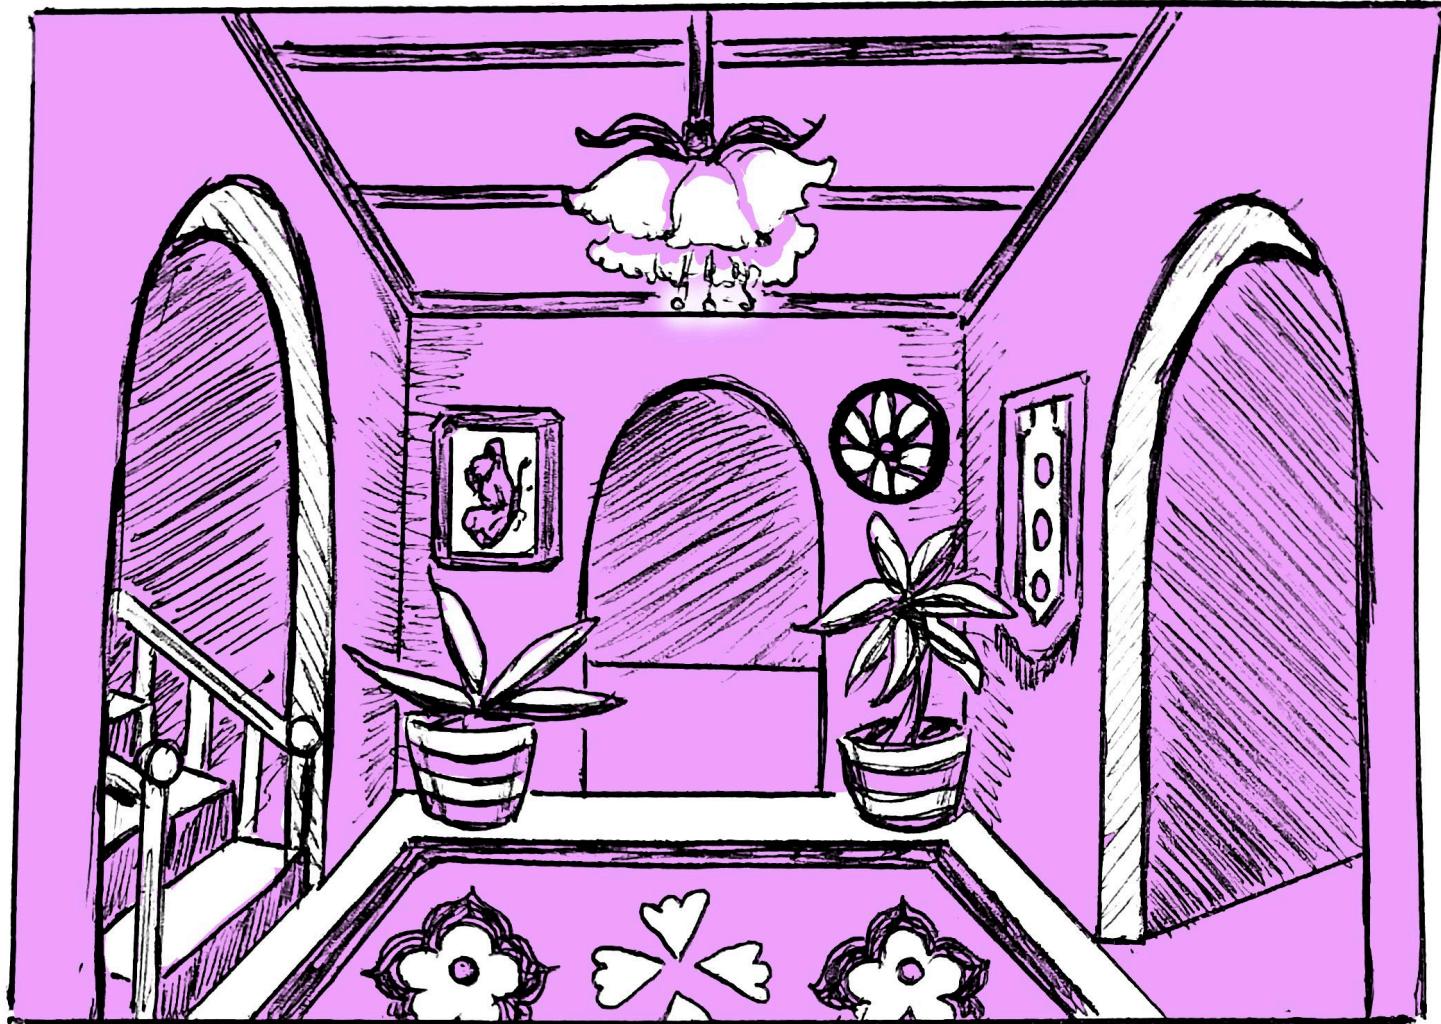

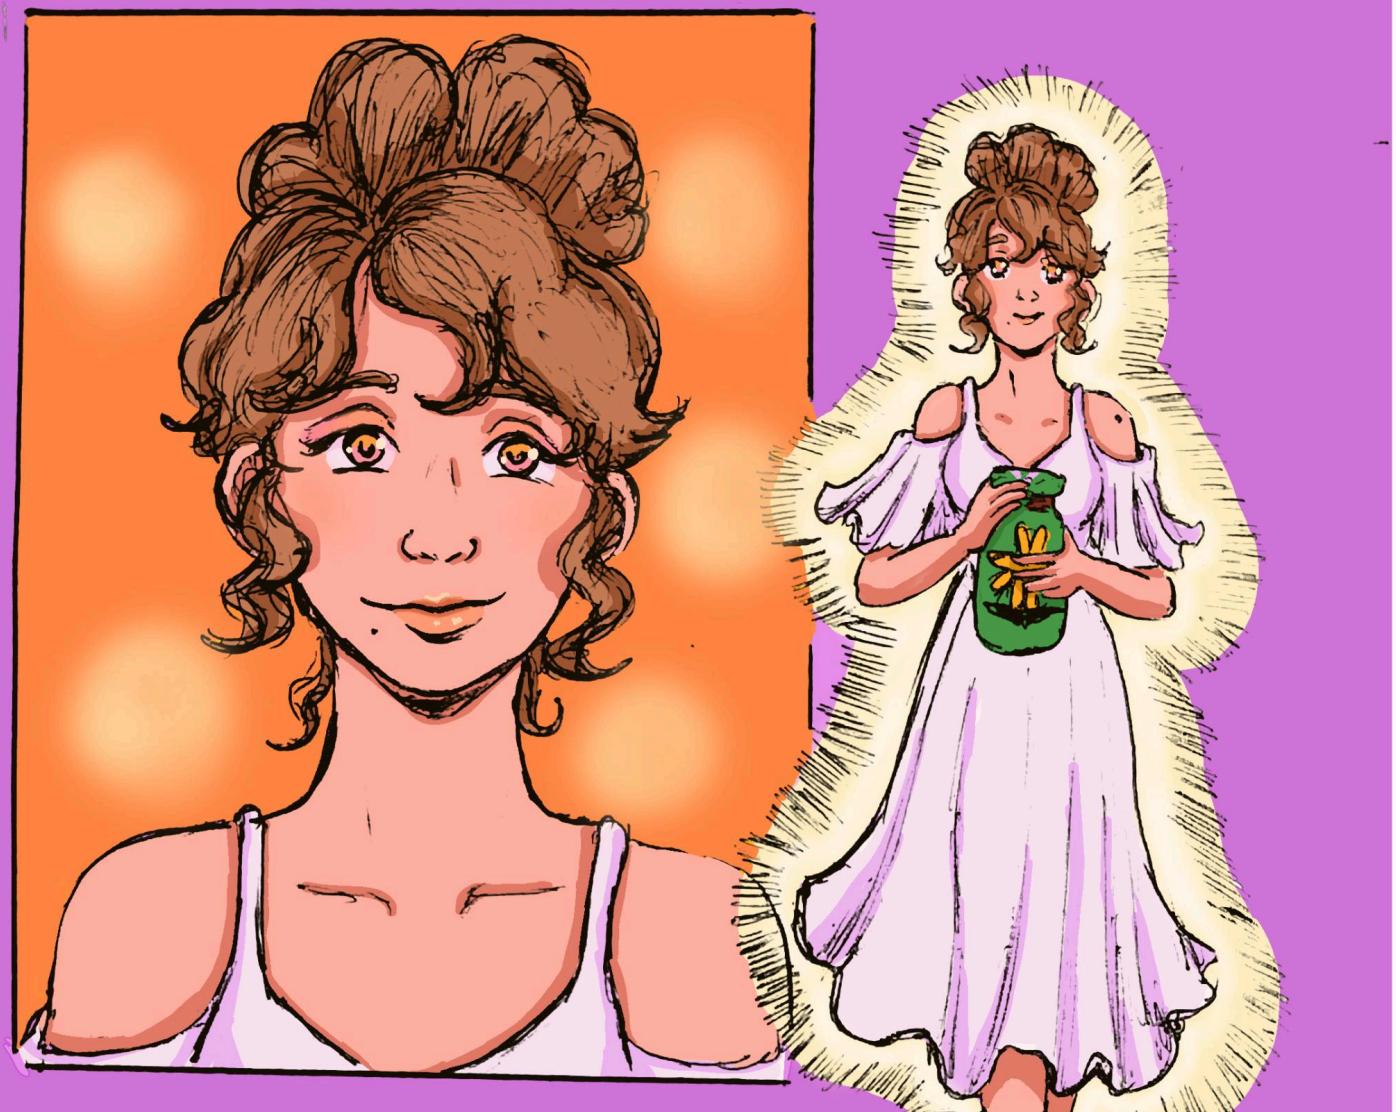

Bien

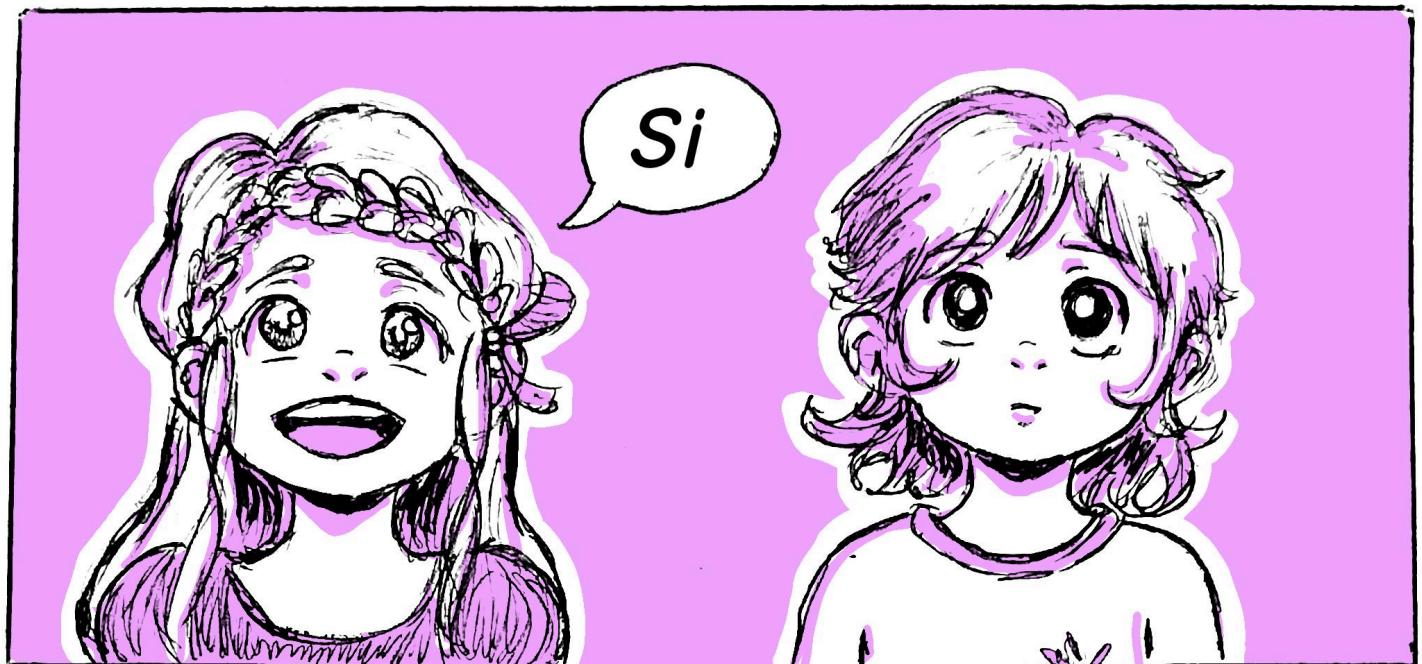

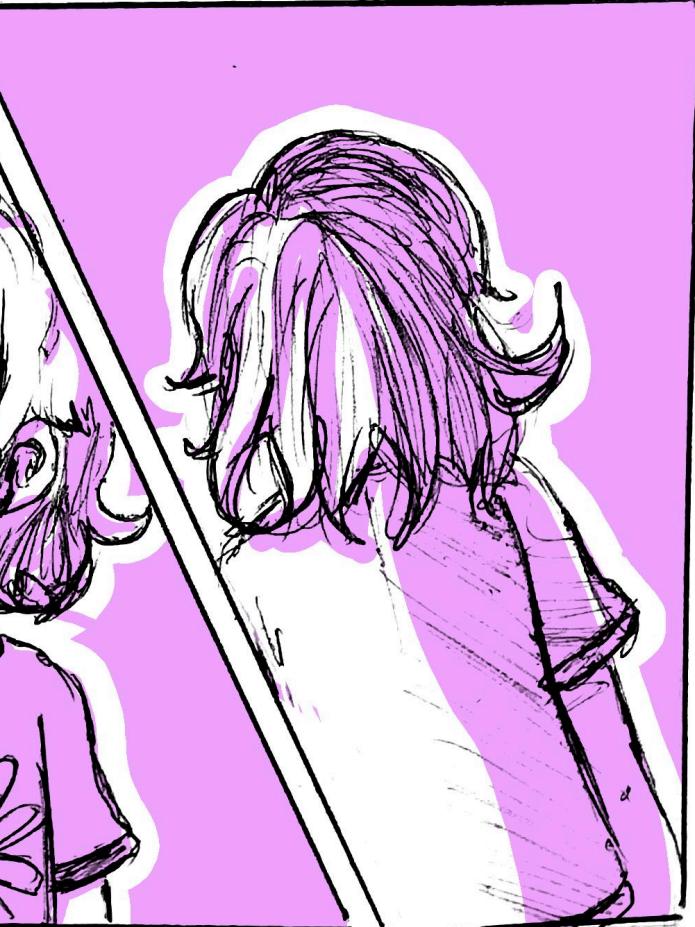

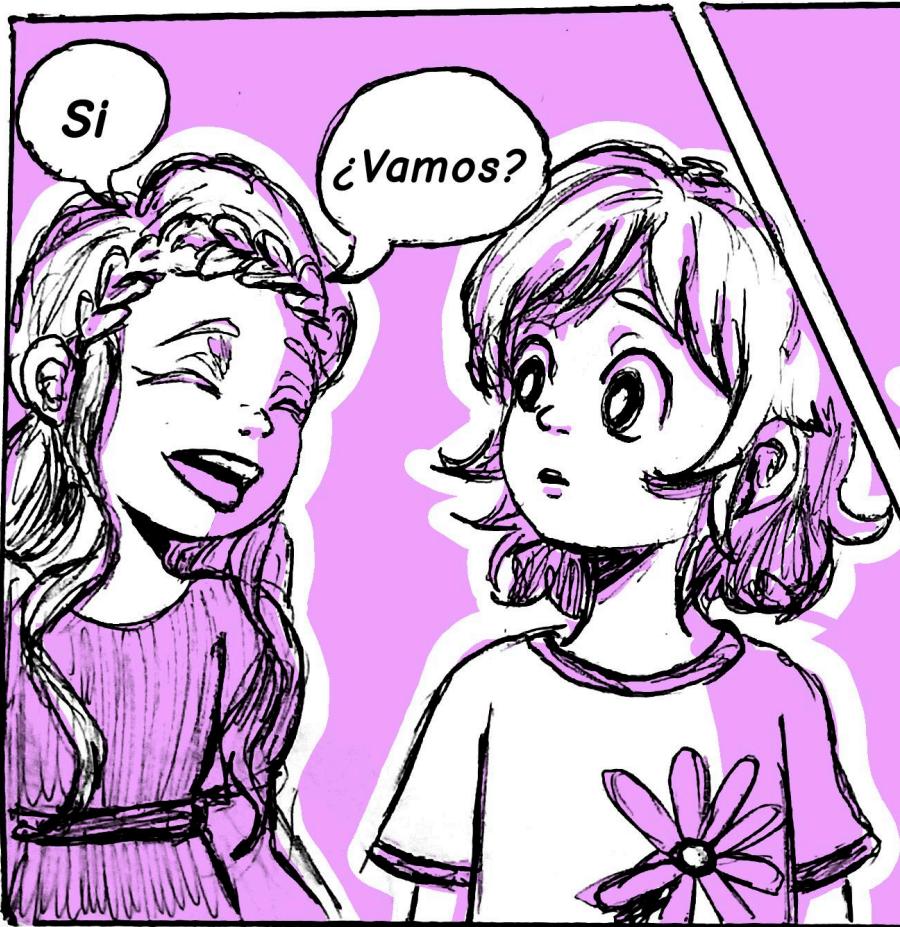

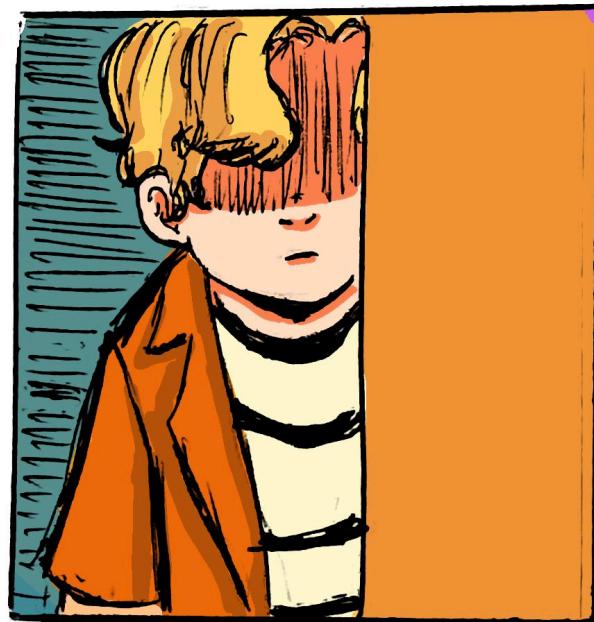

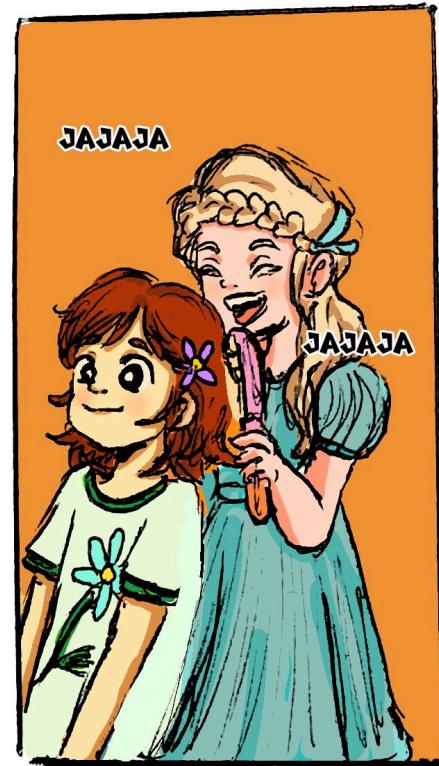

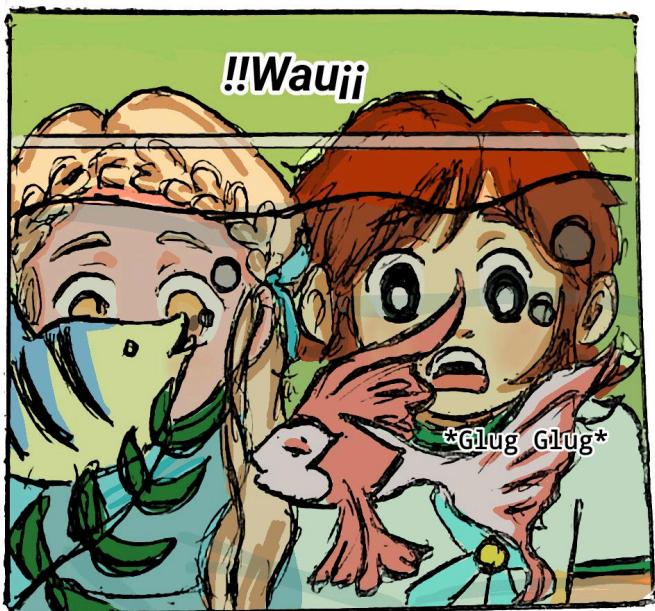

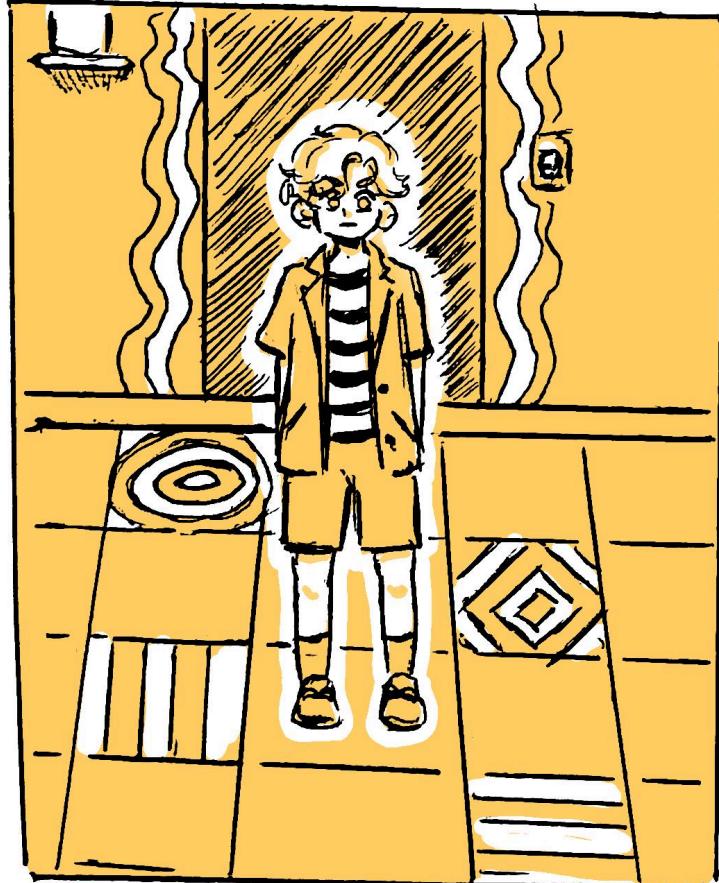

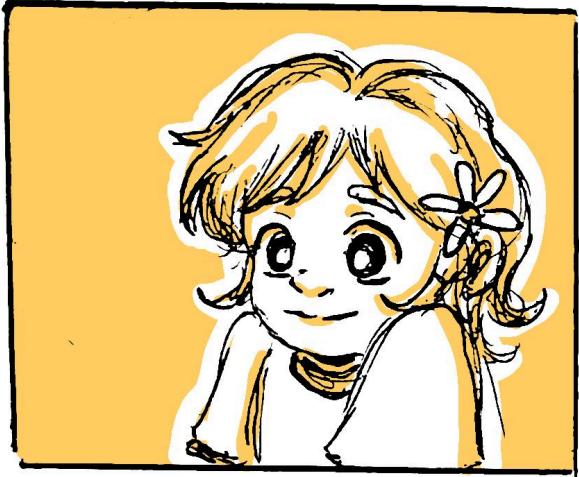

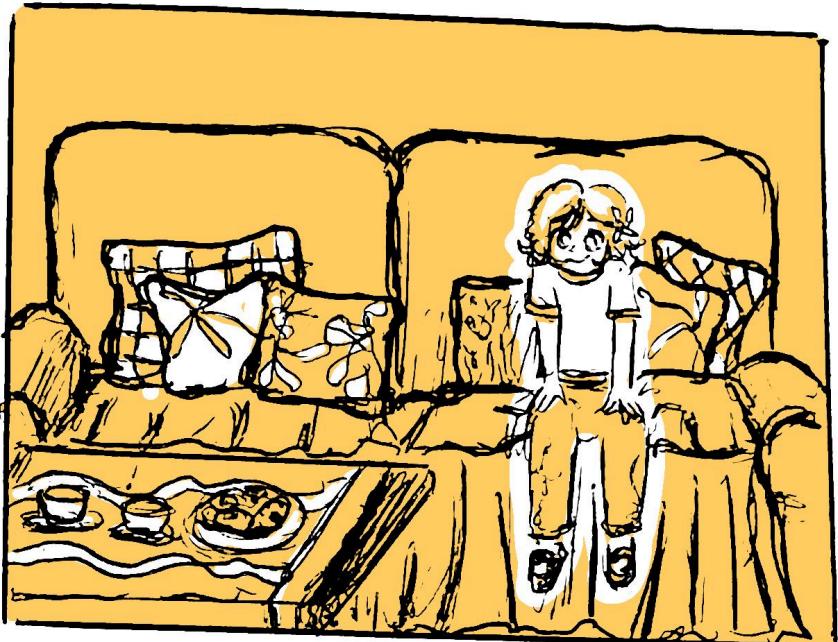

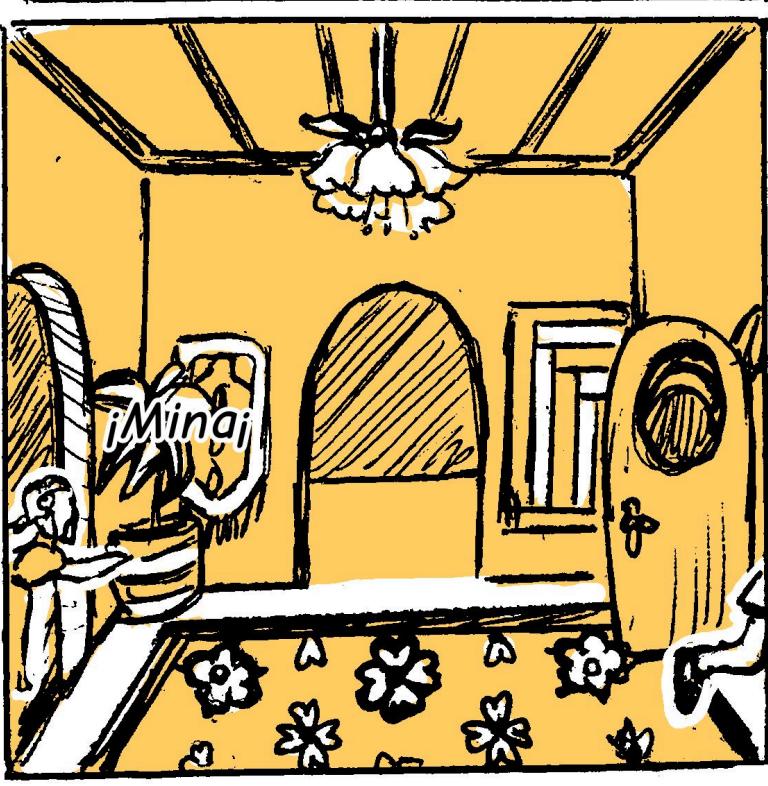

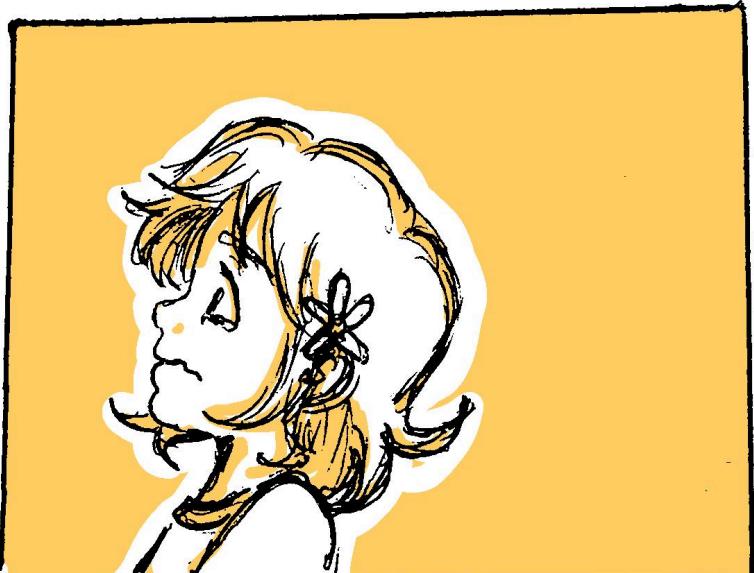

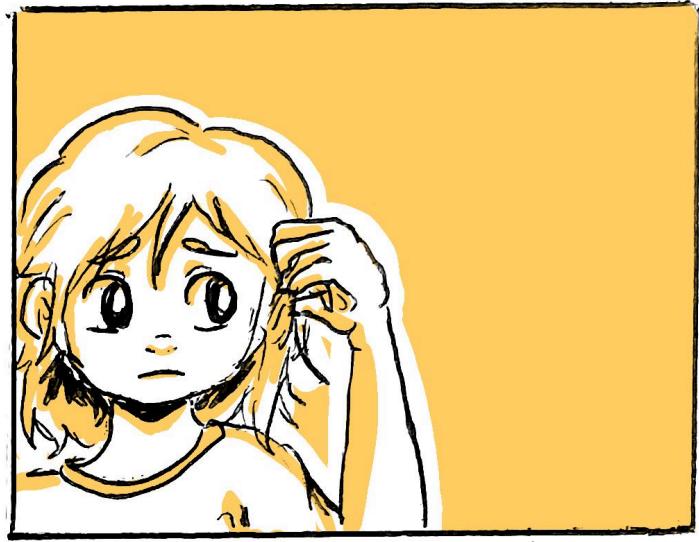

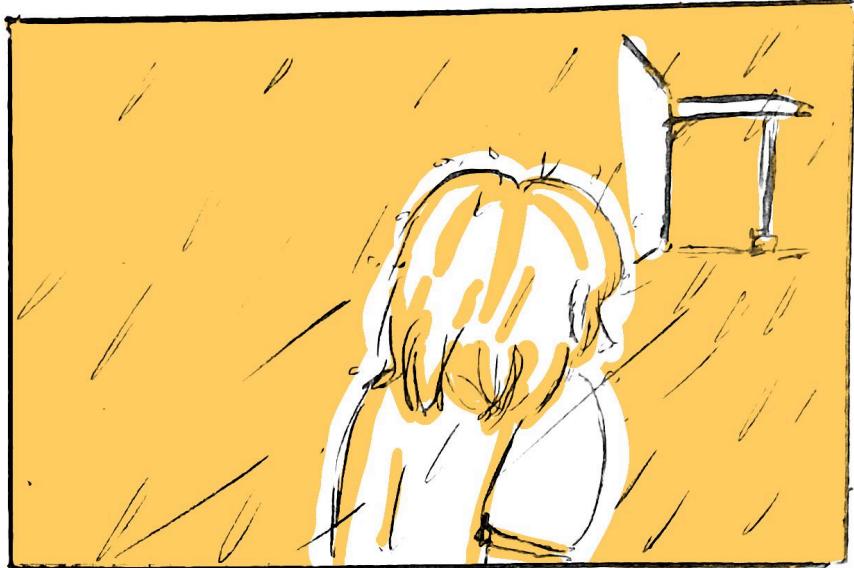

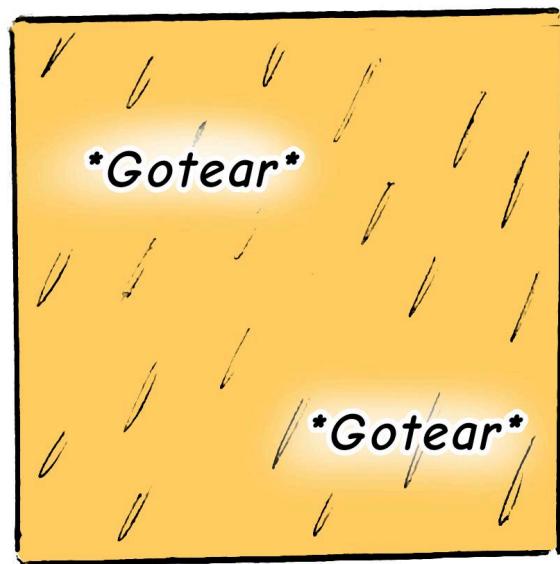

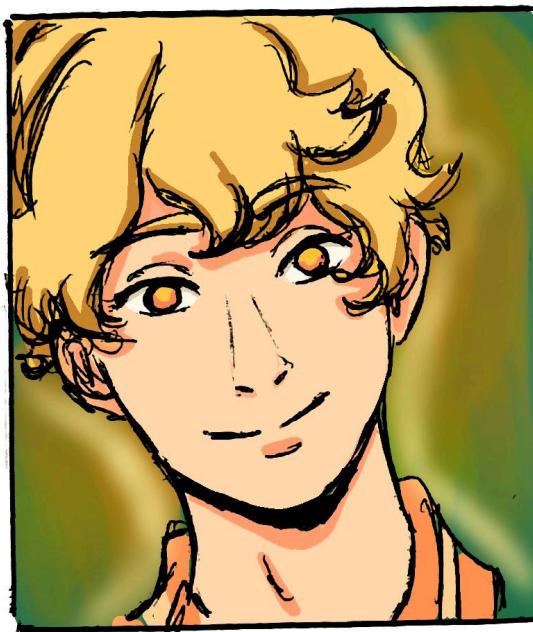

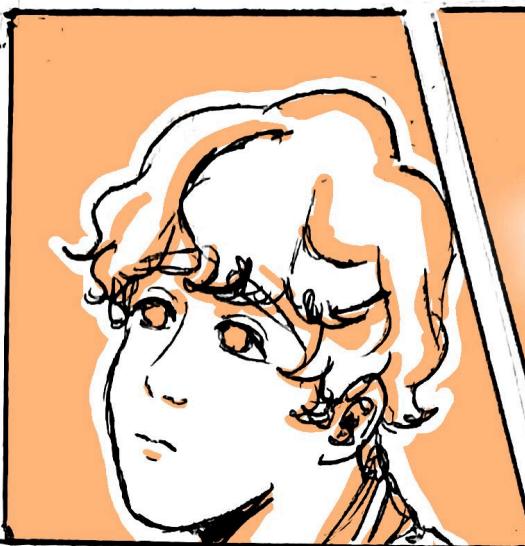

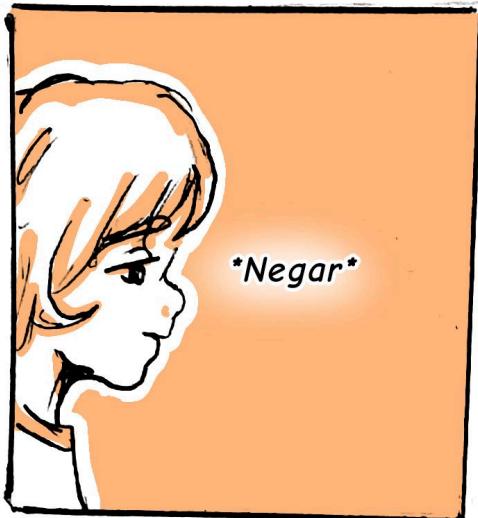

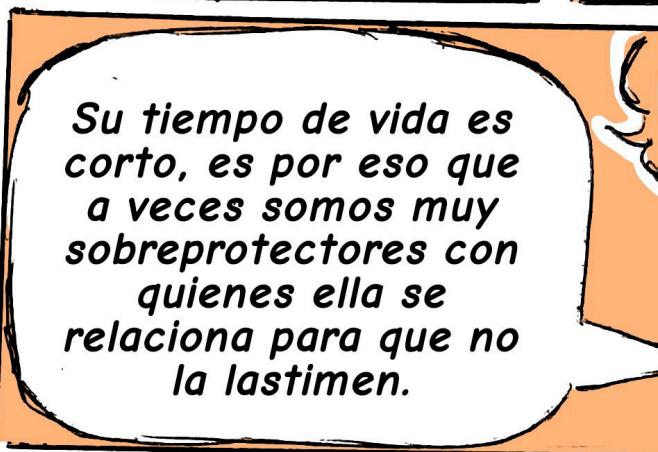

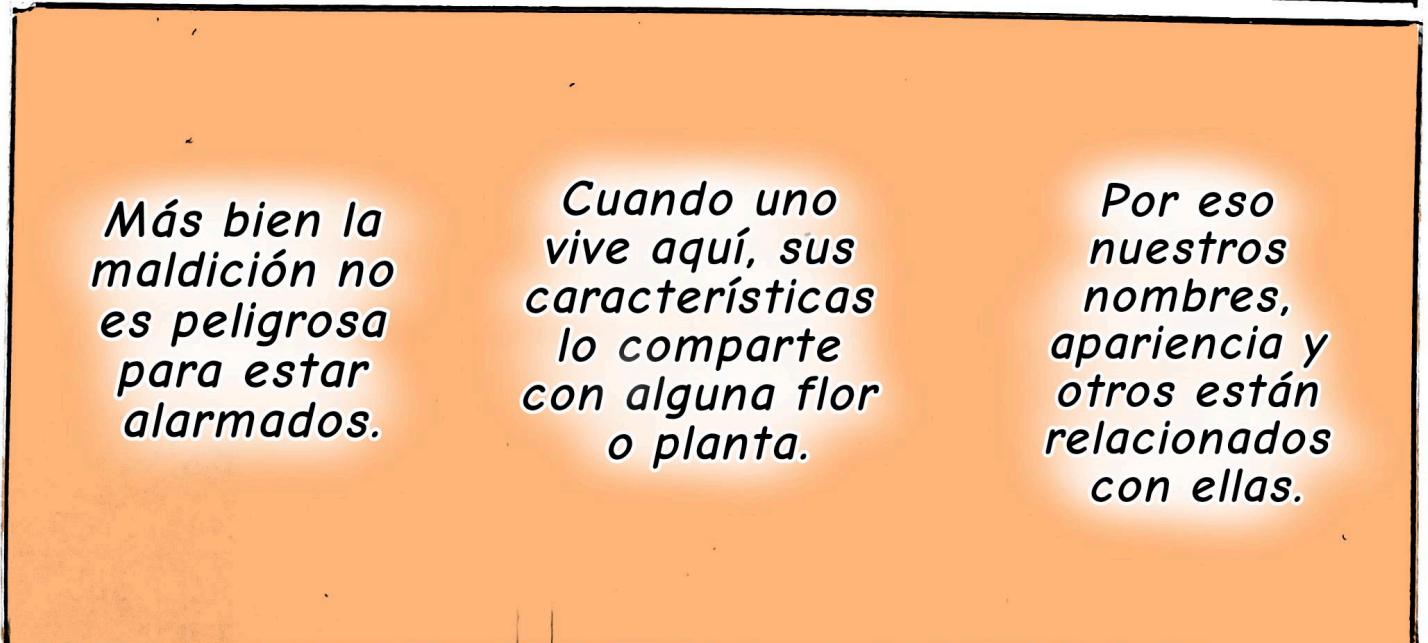

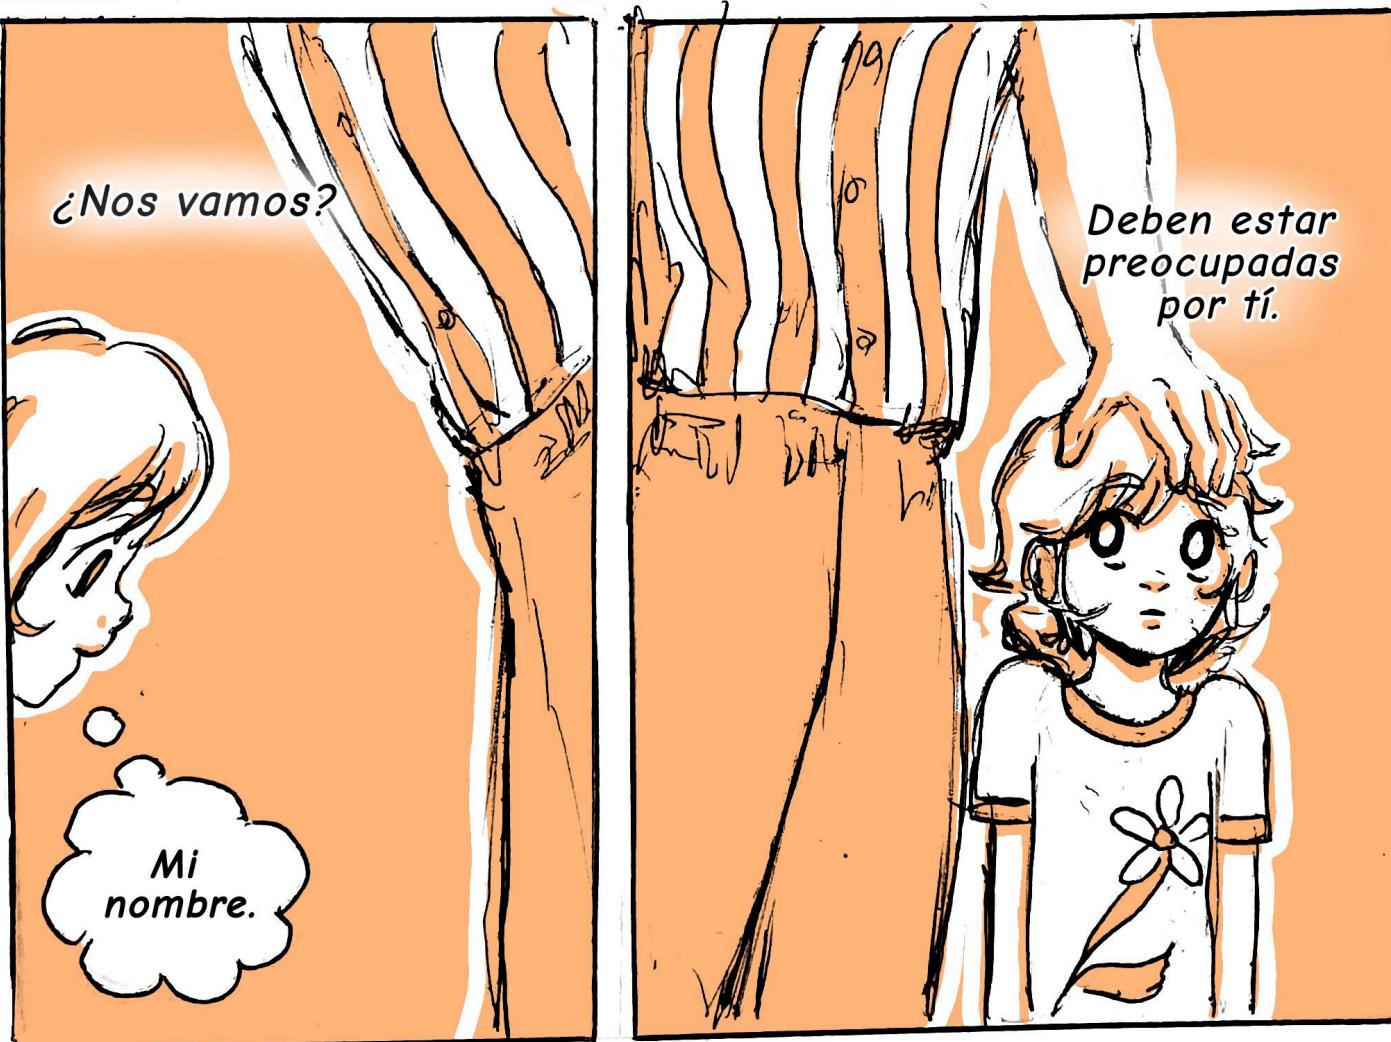

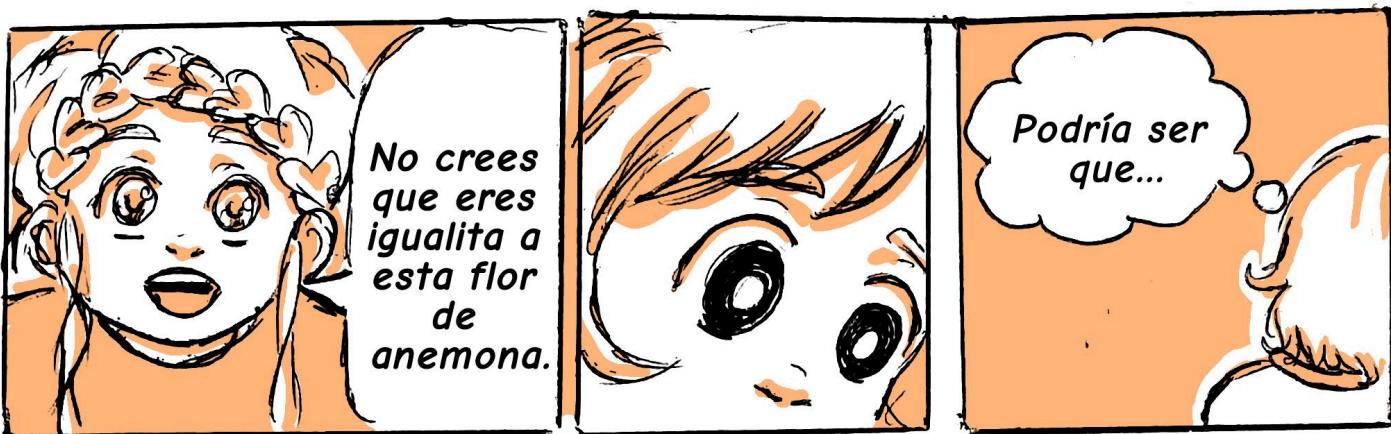

Roselia, sufre de una insuficiencia cardíaca.

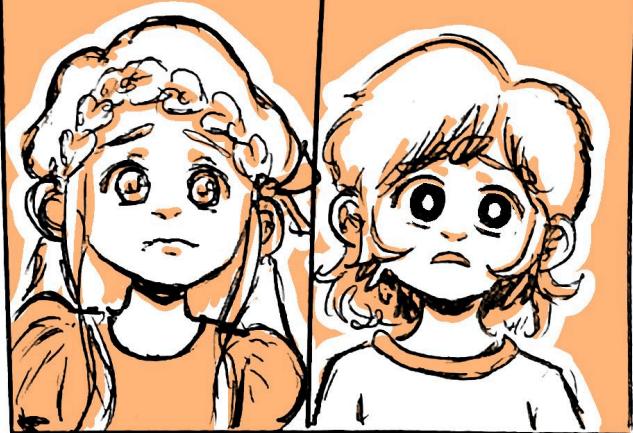

¿Sabías qué este pueblo tiene una maldición?

Cuando regresé con Sen a casa.

Roselia y yo nos pusimos a llorar.

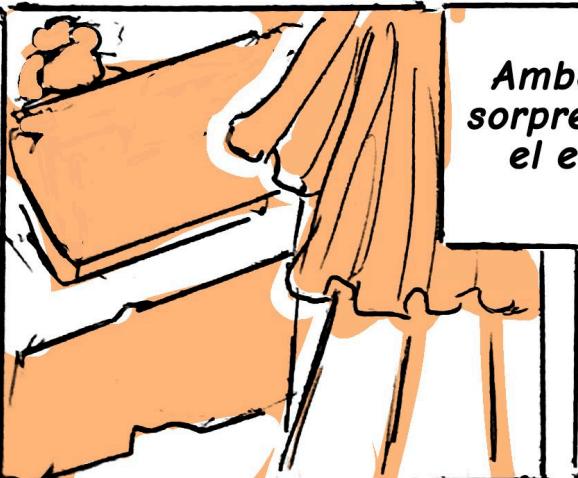

Me dijo la verdad de su condición y yo la acepté.

Margaret y Sen me acompañaron a mi casa.

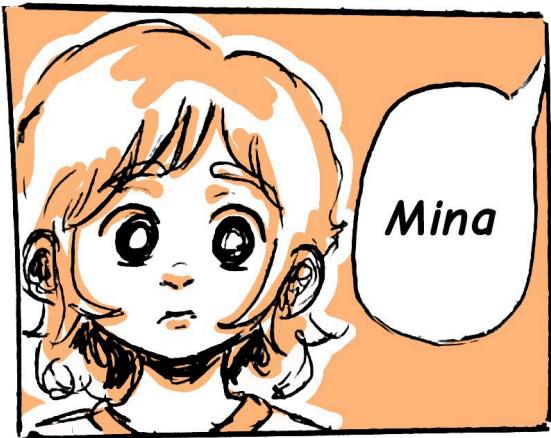

Ambos quedaron sorprendidos al ver el estado de la casa.

Entonces ellos me hicieron una propuesta.

Puede que sea difícil acostumbrarme a vivir con ellos, pero se que ellos son buenas personas.

Sobre los padres de Mina.

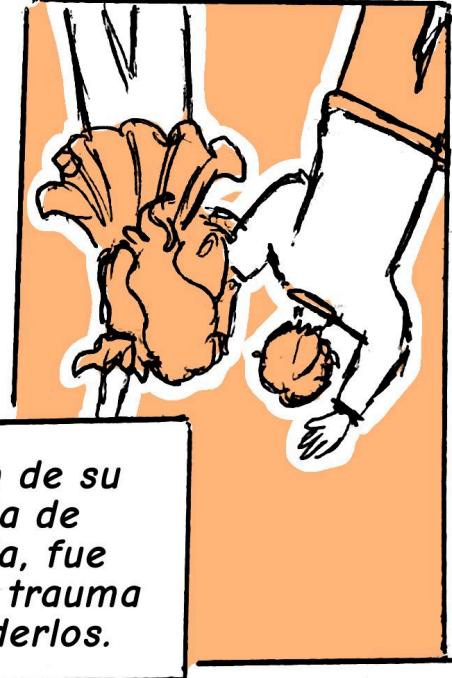

Sen

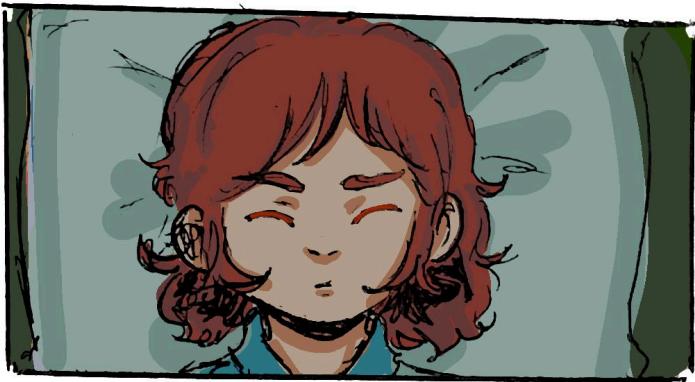

Esas flores en su casa. ¿Eran ellos, verdad?

La razón de su pérdida de memoria, fue debido al trauma de perderlos.

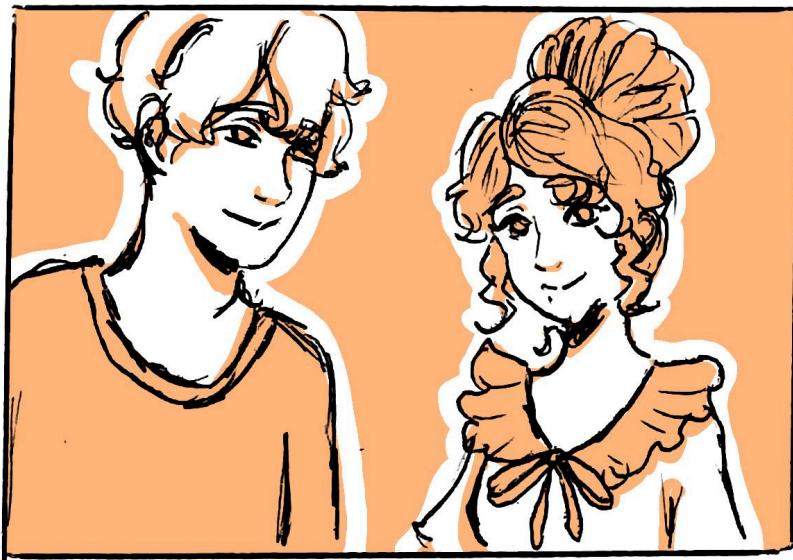

Luego de varios
días viviendo
con ellos.

Decidieron
adoptarme como
un miembro más
de la familia.

EL tiempo de Roselia avanzaba, pero eso no le impidió a que siga con una energía positiva cada día.

A Margaret y Sen empecé a quererlos como si fueran mis padres.

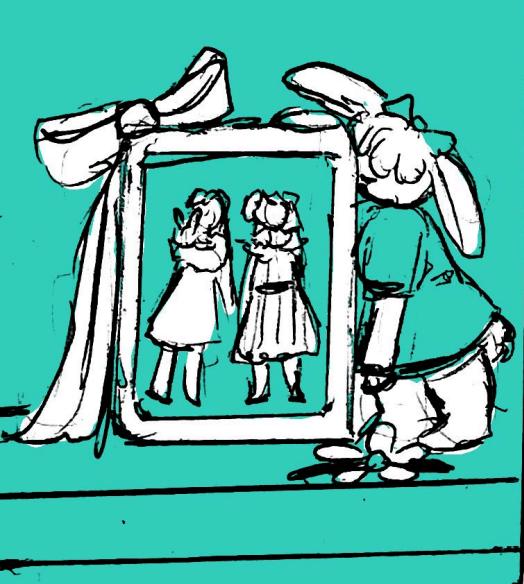

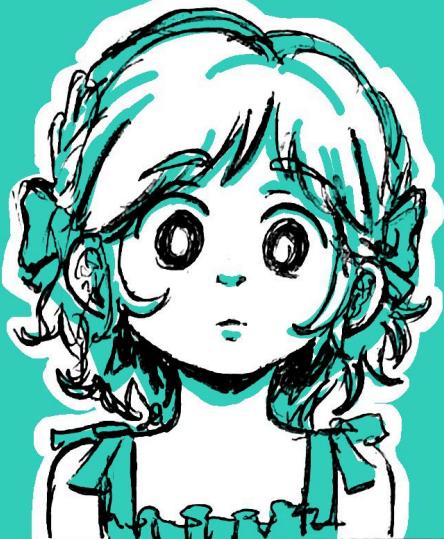

Yo, ya no me sentía sola.

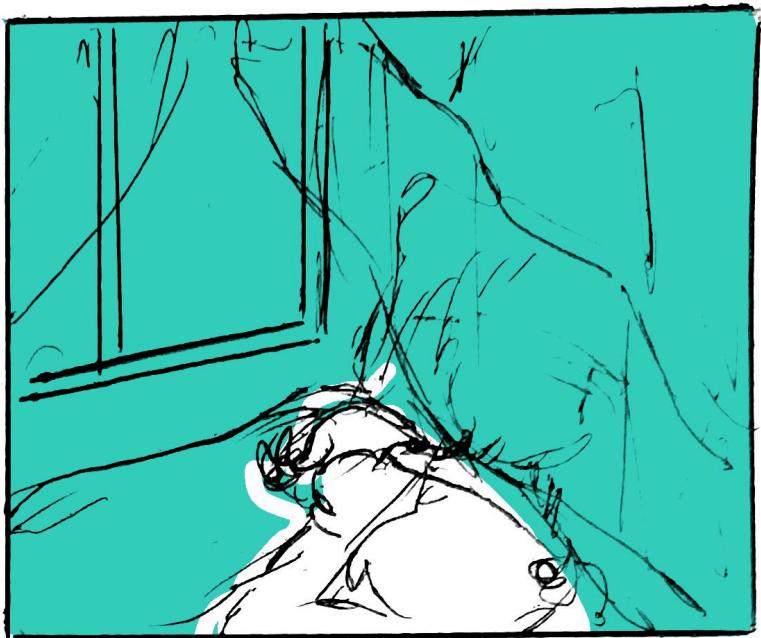

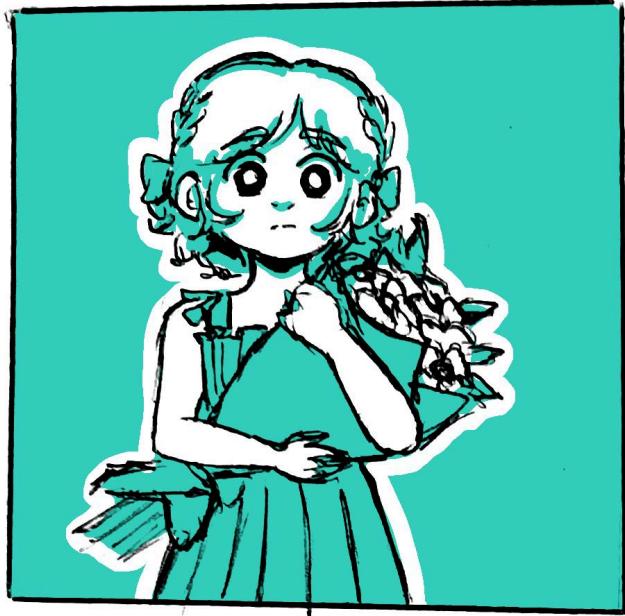

Sin embargo, el tiempo de Roselia llegó.

Listo.
Estás
muy
bonita.

Ahora es
mi turno...

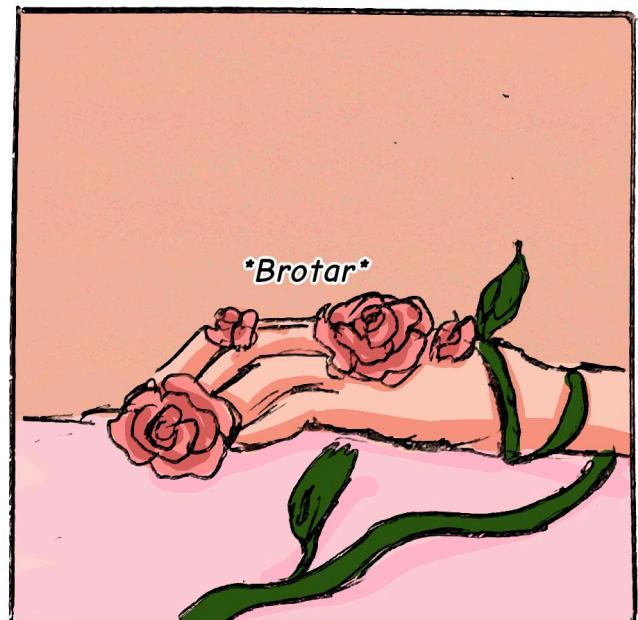

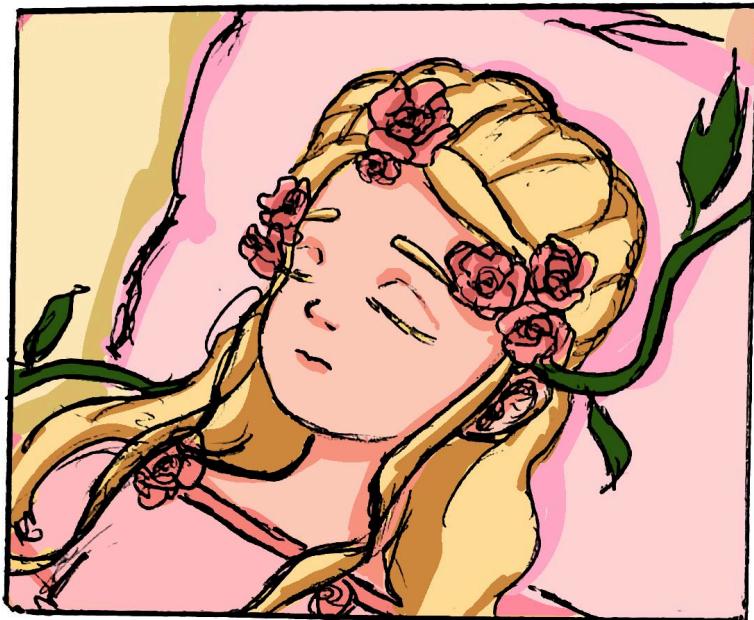

Te traje las
flores qué te
gustan.
Roselia...

En unos 15 minutos ya te transformarás. ¿Verdad?

Pasaron 7 años
desde que
Roselia murió.

¡¡Anemone!!

Se te hace
tarde.

Enseguida
voy.

Adiós
Roselia.
